Diesel Fuel Filtration System-Inline Fuel Pump

Vortex Air Separator

HIGH Performance Lift Pump Replacement 200 GPH

- Model 200 GPH Air Separation/Filtration Unit
- Brushless Motor•Vortex Air Removal Chamber
- Built-In Preset Bypass•Store Replacement Filter
- Performance Upgrade Kit•Lower Amp Draw
- Quiet Motor•Billet Aluminum Design
- Wet Motor Flow thru No Shaft Seal Failures
- Replace Outdated Gear Rotor Pumps
- 2 Year Warranty

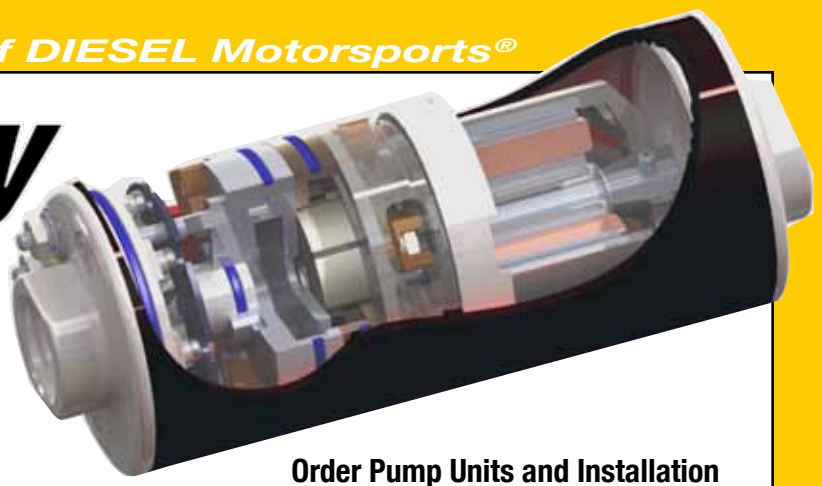
Velocity Fuel System 200



Diesel Performance Inline Lift Pump Replacement

Order Pump Units and Installation Kits separately, or replace existing old Gear Rotor units with Switch kit!

Part Number	Year	Make	Model	Engine	Flow Rate	Description
30301	1998.5-2010	Dodge	2500/3500	5.9L/6.7L	100 GPH	Velocity 100 In-Line Lift Pump, Internal Bypass 18psi, Pre-Filtration System w/fuel water separator, bracket
30302	2001-2010	Duramax	2500/3500	6.6L	100 GPH	Velocity 100 In-Line Lift Pump, Internal Bypass 8psi Pre-Filtration System w/fuel water separator, bracket
30303	1998.5-2010	Dodge	2500/3500	5.9L/6.7L	200 GPH	Velocity 200 Air/Fuel Separator Fuel System w/fuel/water separator, pre-set bypass (18psi), brackets
30304	2001-2010	Duramax	2500/3500	6.6L	200 GPH	Velocity 200 Air/Fuel Separator Fuel System w/fuel/water separator, pre-set bypass (8psi), brackets
20101	1998.5-2010	Dodge	2500/3500	5.9L/6.7L		Performance100 Install Kit, 3/8" Line, fitting, clamps, draw straw, wire harness, Install Manual (Use with Model 30301)
20102	1998.5-2010	Dodge	2500/3500	5.9L/6.7L		Performance 200 Install Kit, 1/2" Line, fitting, clamps, draw straw, wire harness, Install Manual(Use with Model 30303)
20201	2001-2010	Duramax	2500/3500	6.6L		Performance 100 Install Kit, 1/2" Line, fitting, clamps, draw straw, wire harness, Install Manual(Use with Model 30302)
20202	2001-2010	Duramax	2500/3500	6.6L		Performance 200 Install Kit, 1/2" Line, fitting, clamps, draw straw, wire harness, Install Manual(Use with Model 30304)
60301	1998.5-2010	all makes	all models			100 GPH Competitor Pump Install Switch Kit w/wiring harness adapter, ORB adapters, 3/8" and 1/2, push lock fittings (Use with models 30301 and 30302)
60302	1998.5-2010	all makes	all models			200 GPH Competitor Pump Install Switch Kit w/wiring harness adapter, ORB adapters, 3/8" and 1/2, push lock fittings (Use with models 30303 and 30304)
10301	1998.5-2004	Dodge	2500/3500	5.9L	100 GPH	Velocity 100 In-Line Lift Pump, Internal Bypass 18psi (pump only)
10302		All makes	models		200 GPH	Velocity 200 In-Line Lift Pump, must be used with Vortex Air separator or Bypass Regulator (pump only)
10303	2001-2009	Duramax	2500/3500	6.6L	100 GPH	Velocity 100 In-Line Lift Pump, Internal Bypass 8psi (pump only)
50101						Adjustable Bypass Regulator, 4-12 psi
50102						Adjustable Bypass Regulator, 10-25 psi
21101						Draw Straw Tube Kit 1/2", fits all Dodge modules & open tanks for 200 GPH DMAX
40101						Fuel/Water Separator Filtration Element for Velocity 100 GPH Fuel System
40102						Fuel/Water Separator Filtration Element for Velocity 200 GPH Fuel System
