

Vehicle Clean-Up Process	
<b>1</b>	 <p><b>Inspect Interior</b> Remove any trash from the vehicle and blow out the air vents. Vacuum the interior of the vehicle including the ashtray, seat folds and trunk. Inspect the carpet and upholstery for any heavily-soiled stains that may require a pre-spot treatment.</p>
<b>2</b>	 <p><b>Clean Interior Carpet and Fabric</b> Dry brush and vacuum. Using Meguiar's® All Purpose Cleaner (10:1), scrub with nylon brush. Use a towel or extractor with hot water only to remove product from carpet mat.</p>
<b>3</b>	 <p><b>Pre-Clean Exterior</b> Apply Meguiar's® Wheel and Tire Cleaner (10:1) to wheel rim area in order to clean brake dust and debris from wheels. Apply Meguiar's® All Purpose Cleaner (10:1) or Meguiar's® Citrus Power Cleaner Plus (10:1) to engine, engine compartment, door jambs, wheels, tires and other hard to clean areas.</p>
<b>4</b>	 <p><b>Rinse Vehicle Exterior</b> Scrub, pressure wash, and rinse any areas where pre-cleaner was applied. Rinse the entire vehicle to remove loose dirt and debris.</p>
<b>5</b>	 <p><b>Wash Vehicle Exterior</b> Pre-soak any remaining bugs, soiled areas or compound residue using Meguiar's® All Purpose Cleaner (10:1). Wash the entire vehicle using a foam or microfiber hand mitt and Meguiar's® Shampoo Plus mixed appropriately with water in a pail. Rinse thoroughly. Dry, using a water blade or chamois as needed.</p>
<b>6</b>	 <p><b>Apply Tire Dressing</b> Dress the tires with a silicone-free tire dressing, being sure to remove the excess with an absorbent cloth.</p>
<b>7</b>	 <p><b>Clean Interior</b> Working from top down, clean all vinyl and plastic surfaces with Meguiar's® All Purpose Cleaner (10:1), excluding clear plastics. Use interior brush and detail brush where required. Dry with cotton towel. Do not use All Purpose Cleaner on clear plastics.</p>
<b>8</b>	 <p><b>Clean Glass</b> Wipe down all interior and exterior glass surfaces with Meguiar's® Glass Cleaner (10:1). Using the two towel method, first clean with a cotton terry towel followed by a dry microfiber towel. Make sure the final wipe is in vertical motion on the outside of the windows and horizontal motion on the inside of the windows.</p>
<b>9</b>	 <p><b>Final Detail</b> Apply a body shop safe spray detailer to the vehicle's exterior surfaces by misting on and wiping off. Spray detailer will remove any compound residue, dust or fingerprints and will also improve gloss.</p>

Product List	
Meguiar's® Shampoo Plus, 1 gallon, PN D11101	
Meguiar's® Citrus Power Cleaner Plus, 1 gallon, PN D10701
