

# 3M Online Respirator Medical Evaluation

On busy job sites, getting results – and getting them quickly – is vital. To save you time, money, and the hassle of coordinating clinic appointments, 3M facilitates a convenient, online method for employers to obtain medical evaluation of respirator wearers as required by the OSHA Respiratory Protection Standard (29 CFR 1910.134\*\*). The Online Respirator Medical Evaluation has a web-based interactive questionnaire, which gives you immediate notification of the results.

## Here are some of the benefits the Online Respirator Medical Evaluation Service offers:

### Convenience

- Respirator medical evaluations for all brands and types of respirators
- Most employees do not need to leave the work site
- Questionnaires available in both English and Spanish
- Evaluations can be taken 24 hours/day, 7 days/week from any computer with internet access

### Speed

- It takes most employees only 15 to 30 minutes to complete the questionnaire

### Consistency

- All employees are evaluated using the same expanded OSHA Respirator Medical Evaluation Questionnaire

### Quality

- The expanded OSHA Respirator Medical Evaluation Questionnaire incorporates work conditions and respirator types
- Board-certified occupational medicine physicians complete the reviews and, when necessary, make recommendations for medical follow-up.
