HUMMER STAINLESS 4pc SIDE MARKER LIGHT TRIM RINGS

PART # 492004 Patent Pending

PARTS INCLUDED:

- 4-Stainless Side Marker Light Trim Rings
- 2-Adhesive Promoter Tubes

Your new bezels are designed to fit around your side marker lights.

1. Clean the painted area around your factory side marker lights with household rubbing alcohol to remove any dirt and wax. Then swipe the area once with the adhesive promoter provided. (It may be necessary to unscrew the side marker lights for easier installation).
2. Peel the red release liner from the back of the stainless rings and carefully set them evenly around your factory lights and press firmly to set. Reattach lights if applicable.

DO NOT GET WET FOR 24 HOURS.

Thank you and enjoy your purchase!
