686 All-Season	50,000	
ATR-K Economist	35,000	
ATR SPORT	35,000	
ATR SPORT 2	35,000	
Desert Hawk UHP	35,000	
Desert Hawk A/P	35,000	
Desert Hawk H/T	45,000	
Desert Hawk H/T 2	60,000	
Desert Hawk A/T	45,000	Non LT
Desert Hawk A/T2	60,000	Non LT
Desert Hawk X-MT	50,000	Non LT

#### Notes:

- When assessing the damage, the final judgment shall be made by manufacturer's representative staff or persons authorized by Achilles.
- The compensation amount will be calculated on pro-rated basis, 1.6 mm(2/32") or less groove depth is not considered in tread wear proportion.
- Tires replaced on a warranty basis shall become the property of Achilles.
- Tires that are damaged and proven to have manufacturer's defects only, will be accepted and replaced with similar products.

**What Is Not Warranted:**

- Tires damaged by road hazards, fire, accidents, corrosion, vandalism, or damage caused by nature.
- Tires damaged due to improper inflation pressure or usage of an unsuitable or faulty rim, valve, or having been run while flat.
- Tires with premature or irregular wear due to improper inflation pressure, non-rotation of tire position, usage of unsuitable or faulty rim, and defective mechanical conditions of the vehicle, including misalignment, faulty shock absorbers or brakes, wheel imbalance and worn or faulty parts.
- Improperly mounted or unbalanced tires.
- Tires in an out-of-round condition after the first 20% of original groove depth.
- Improper application of tire size and/or specification.
- Tires used on vehicles used in racing and on passenger cars in special applications.
