

ACCESS[®]

TESTED. TRUSTED. GUARANTEED.
AMERICAN MADE

A close-up, rear-quarter view of a white pickup truck. The truck is equipped with a black, textured tonneau cover over the bed. The cover is secured with a black strap on the right side. The truck's body is white, and a black door handle is visible on the side. In the bottom right corner, a portion of a red taillight is visible. The background consists of a vast, sandy desert landscape under a clear blue sky with some light clouds. The overall scene is brightly lit, suggesting a sunny day.

SELECTION

HOW WE ROLL

In 1991 Agri-Cover, Inc. invented the ACCESS® Original Roll-Up Cover, the first tonneau cover of its kind. Other roll up covers have entered the market since then, but none have been tested, trusted and guaranteed longer than the ACCESS® Original Roll-Up Cover. Our focus on precise fit, top quality materials and lasting performance is the reason for our very low warranty claim rate and exceptionally high repeat customer rate.

ACCESS® Roll-Up Covers have been tested across North America in both extreme cold and hot climates, trusted by truck owners for a quarter of a century and guaranteed to be free of defects in workmanship.

Tested. Trusted. Guaranteed.

WHY WE ROLL

The ACCESS® Roll-Up Cover gives you the freedom to use your truck box the way you want. Simply roll the cover open to haul tall loads and then roll the cover closed for superior protection. The ACCESS® Roll-Up Cover is always there when needed. Get more out of your truck with a tonneau cover as versatile as you.

WIDE OPEN IN 8 SECONDS

UNLATCH

Simply pull to release latch.

ROLL

Bar and bows automatically roll up with the cover.

SECURE

Fasten storage straps to secure the cover.

ACCESS® Original Roll-Up Cover

EASY HAULING

No need to remove, the cover stores securely behind the cab without view obstruction.

PAYS FOR ITSELF

Reduces aerodynamic drag and improves gas mileage.

SECURITY

The cover automatically latches when closed and combined with a locking tailgate, it becomes a completely secure system.

PROTECTION

Strategically placed weather seals form a tight barrier between your truck and tonneau cover. Prevents elements from entering the truck box.

ENHANCES APPEARANCE

The perfect accessory to add the finishing touch to your truck box.

ACCESSORIES COMPATIBLE

Our inside the rail design leaves stake pockets open for other truck box accessories.

ACCESS® LORADO® Roll-Up Cover

ACCESS® LORADO® Roll-Up Cover

WHEN WE ROLL

One size does not fit all. ACCESS® Roll-Up Covers are model specific, resulting in sleek, clean lines and the tightest fit for your truck. Our American made tonneau covers are low maintenance and long lasting, they keep rolling through years of use. You can always spot an ACCESS® Roll-Up Cover when you see our exclusive SLANTBACK Rear Design.

ACCESS® LORADO® Roll-Up Cover

ACCESS® Original Roll-Up Cover

QUICK INSTALLATION

Assembled components allow for a one person installation in minutes. TIGHT BITE™ Clamps attach the cover to the box without the need to drill.

FOUR SEASON PROTECTION

Textured, double coated commercial grade, reinforced UV protected vinyl remains flexible at -40° F.

STRUCTURAL INTEGRITY

Our built-in bows are designed to provide additional support between the rails to prevent sagging.

SLANTBACK REAR DESIGN

Make sure it is the ACCESS® Original Roll-Up Cover with our exclusive SLANTBACK Rear Design. The SLANTBACK Rear Design is a registered U.S. Trademark of Agri-Cover, Inc.

THE PERFECT FIT, EVERY TIME.

ACCESS® LORADO® Roll-Up Cover

PREMIUM COVERS

We prove our love for the fine details with our premium ACCESS® Roll-Up Covers. Discover the purposeful design for yourself. Feel the quality materials. See the precise fit and finish of the components. Once you have owned a premium ACCESS® Roll-Up Cover, nothing else will do.

LIMITED EDITION

ORIGINAL

LORADO®

TOOLBOX EDITION

ACCESS[®] LIMITED EDITION

ACCESS[®] Limited Edition Roll-Up Cover is a premium cover for truck owners who insist on the very best in style and quality. This tonneau cover sits 1-1/2 in. above the truck box. ACCESS[®] Limited Edition Roll-Up Cover combines all of the components of our ACCESS[®] Original Roll-Up Cover along with five exclusive accessories.

XT-DIAL™ TENSION ADJUSTER

Enables direct tension control for fine tuning the cover with the turn of an easy grip dial. No tools - No hassle.

PATENTED AUTOLATCH™ II DUAL LOCKING SYSTEM

Releases both locks simultaneously by pulling on the synthetic cord from either side. Heavy duty nylon latches provide a 1/2 in. of surface for solid positive latch engagement.

SEALS ON ALL FOUR SIDES

Integrated front and rear vinyl seals and a waterproof foam gasket between rails and truck box. ELEMENT SEAL™ Gasket provides additional protection at bulkhead.

PREMIUM STORAGE STRAPS

Durable nylon straps secure the rolled up cover and cab guard design prevents the cover from rubbing on the cab.

FIVE INCLUDED ACCESSORIES

The ACCESS® Limited Edition Roll-Up Cover includes exclusive accessories designed to protect, add style and increase the function of your pickup truck. From the waterproof LED light to the EZ-RETRIEVER® II, you will find these products easy to install and enhance the use of your truck.

1. EZ-RETRIEVER® II CARGO REACHING TOOL

A simple and effective way to reach gear that has slid to the front of your truck box. Any truck owner will appreciate this handy tool.

2. TRAILSEAL® TAILGATE GASKET

Seals the perimeter of any truck's tailgate preventing dust, rain or snow from entering the truck box.

3. 18 INCH AA BATTERY LED LIGHT

This waterproof light is a peel-and-stick solution for any dark place without the need for wiring. Factory set to automatically shut off after three minutes.

4. 2 OZ. COVER CARE® SAMPLE

A cleaner and protectant that repels water and dust while guarding against UV damage. Protect your cover's brand new look.

5. TIE DOWN RINGS

Handy and convenient for securing loads and preventing cargo from shifting.

ACCESS® ORIGINAL

The ACCESS® Original Roll-Up Cover put ACCESS® on the map and is still our most sought after cover. The ACCESS® Cover rolls open in seconds and stores neatly behind the cab without view obstruction. Make sure it is the ACCESS® Original Roll-Up Cover with our exclusive SLANTBACK Rear Design.

TIGHT BITE™ CLAMPS

Easily installs in minutes without the need to drill into your truck box. Specifically cut 'teeth' maintain superior grip and exceptional strength.

RELIABLE HOOK AND LOOP FASTENING SYSTEM

Provides a high strength seal running the full length of the truck box. Allows one person to easily open the cover in a straight, compact roll.

PATENTED AUTOLATCH™ II DUAL LOCKING SYSTEM

Releases both locks simultaneously by pulling on the synthetic cord from either side. Heavy duty nylon latches provide a 1/2 in. of surface for solid positive latch engagement.

XT-DIAL™ TENSION ADJUSTER

Enables direct tension control for fine tuning the cover with the turn of an easy grip dial. No tools - No hassle.

ACCESS® LORADO®

If you prefer a lower profile look and do not want to sacrifice performance, the ACCESS® LORADO® Roll-Up Cover is a perfect option. The LORADO® Cover features all the same components as our ACCESS® Original Roll-Up Cover, with a sleek, low profile design sitting 1 in. above the truck box.

PREMIUM STORAGE STRAPS

Durable nylon straps secure the rolled up cover and cab guard design prevents the tonneau cover from rubbing on the cab.

SEALS ON ALL FOUR SIDES

Integrated front and rear vinyl seals and waterproof foam gasket between rails and truck box. ELEMENT SEAL™ Gasket provides additional protection at bulkhead.

RELIABLE HOOK AND LOOP FASTENING SYSTEM

Provides a high strength seal running the full length of the truck box. Allows one person to easily open the cover in a straight, compact roll.

TIGHT BITE™ CLAMPS

Easily installs in minutes without the need to drill into your truck box. Specifically cut 'teeth' maintain superior grip and exceptional strength.

ACCESS[®] TOOLBOX EDITION

ACCESS[®] Toolbox Edition is our ACCESS[®] Original Roll-Up Cover built to fit behind most 19 to 21 in. over-the-rail toolboxes. This tonneau cover operates independently from the toolbox and will not interfere with operation when loading or unloading items.

WEATHER SEAL GASKET

Provides protection between toolbox and front bulkhead.

SEALS ON ALL FOUR SIDES

Integrated front and rear vinyl seals and waterproof foam gasket between the rails and truck box. In addition, the front header bar forms a tight barrier between your toolbox and cover.

PATENTED AUTOLATCH™ II DUAL LOCKING SYSTEM

Releases both locks simultaneously by pulling on the synthetic cord from either side. Heavy duty nylon latches provide a 1/2 in. of surface for solid positive latch engagement.

XT-DIAL™ TENSION ADJUSTER

Enables direct tension control for fine tuning the cover with the turn of an easy grip dial. No tools - No hassle.

ECONOMICAL COVERS

We offer quality tonneau covers to fit any budget. Our economical covers have the same durable and functional design as our premium covers with just a few component changes to be more affordable. You deserve a tonneau cover you can swear by, not at.

LITERIDER®

VANISH®

TONNOSPORT®

VANISH® Roll-Up Cover

LITERIDER®

The LITERIDER® Roll-Up Cover offers the best of both worlds. The patented style and design make this tonneau cover durable and long lasting with a price any cost conscious consumer can appreciate. The LITERIDER® Cover is built like the ACCESS® Original Roll-Up Cover with a few component changes, making the LITERIDER® Roll-Up Cover even more affordable.

AUTOLATCH™ LOCKING SYSTEM

Easily releases with the pull of a cord and automatically locks when the cover is closed.

PATENTED SLIDE LOCK

Additional locked protection on the passenger side of the tonneau cover. Push to lock, pull to unlock.

QUICK CLIP™ STORAGE STRAPS

Secure the cover behind the cab with powerful nylon straps and durable buckles.

EZ-DIAL™ TENSION ADJUSTERS

Set the tonneau cover tension with the turn of a dial, no tools required.

SEALS ON ALL FOUR SIDES

Integrated front and rear vinyl seals and waterproof foam gasket between rails and truck box.

VANISH®

The VANISH® Roll-Up Cover is a perfect choice for truck owners who want the lowest profile design at a remarkably low price. When closed, the cover lies a 1/2 in. above the truck box. The VANISH® Roll-Up Cover will keep your cargo protected and out of sight while giving you the sleek look you want.

TRIGGER LATCH

One finger release and automatically locks when the cover is closed.

PATENTED SLIDE LOCKS

Additional protection on both sides of the cover. Push to lock, pull to unlock.

STORAGE STRAPS

Adjustable straps made of durable webbing secure the cover behind the cab.

XT-DIAL™ TENSION ADJUSTER

Enables direct tension control for fine tuning the cover with the turn of an easy grip dial. No tools - No hassle.

RELIABLE HOOK AND LOOP FASTENING SYSTEM

Provides a high strength seal running the full length of the truck box. Allows one person to easily open the cover in a straight, compact roll.

TONNOSPORT®

The TONNOSPORT® Roll-Up Cover gives you a sleek, low profile look at a great low price. Affordable and durable, the TONNOSPORT® Cover sits a 1/2 in. above the truck box and comes with high quality, economical components. The TONNOSPORT® Roll-Up Cover fits your lifestyle, your truck and your budget.

TRIGGER LATCH

One finger release and automatically locks when the cover is closed.

PATENTED SLIDE LOCKS

Additional protection on both sides of the cover. Push to lock, pull to unlock.

TIGHT BITE™ CLAMPS

Easily installs in minutes without the need to drill into your truck box. Specifically cut 'teeth' maintain superior grip and exceptional strength.

EZ-DIAL™ TENSION ADJUSTERS

Set the tonneau cover tension with the turn of a dial, no tools required.

QUICK CLIP™ STORAGE STRAPS

Secure the cover behind the cab with powerful nylon straps and durable buckles.

ACCESS® Original Roll-Up Cover

ACCESS® LORADO® Roll-Up Cover

WHERE WE ROLL

ACCESS® Roll-Up Covers are manufactured in North Dakota and are designed to meet lifestyle demands from coast to coast. Countless trucks across North America are equipped with ACCESS® Roll-Up Covers for versatility and ease of use. Questioning if the ACCESS® Roll-Up Cover is the right fit for your truck? Listen to our best salespeople, our customers.

OUR CUSTOMERS ARE OUR BEST SALESPEOPLE

ACCESS® Limited Edition Roll-Up Cover

"I am delighted with the Access Limited Edition Roll-Up Cover. The support struts were tested by our recent snow storms in Maryland. 26 inches of wet, heavy snow on a roll-up fabric cover and no damage at all. I would not hesitate to recommend this cover."

Todd F. - MD

"This will be the third Access cover I have bought for my various pickup trucks since 2005. Very easy to install and tough as a Sherman tank. A superior American made product - hands down."

Perry K. - KY

"Very well made, easy to install, looks terrific. Hands down the best tonneau cover available for my Frontier."

Dan R.

"I love this cover! I ended up picking up a pallet full of stuff and was grateful that I did not have to make two trips, all I had to do was roll the cover out of the way and I was good to go."

David K. - CO

"This is my second Access Lorado. I have nothing but good to say about their product. I will never have a truck without one! An outstanding product backed by excellent customer service."

Lester H. - FL

"Great investment, keeps all my equipment dry and out of sight. It has a very professional look and the roll-up feature is great for quick access."

Michael I. - NJ

ACCESSORIES

For optimal cargo management, we offer a variety of accessories to complement your pickup truck. Our accessories range from functional enhancements such as an ADARAC™ Truck Bed Rack to our durable marine-grade ACCESS® Truck Bed Mat, all made to make your life easier.

ADARAC™ TRUCK BED RACK

Extends the carrying capability of your truck with sturdy framework constructed of durable powder coated steel to handle a hefty load. The easily adjustable and removable uprights contour to the cab for an aerodynamic design.

See Applications for PN's

ACCESS® TRUCK BED MAT

The marine-grade polyester and foam backing prevents cargo from sliding and protects the truck bed from scratches or dents. This waterproof, model specific mat snaps in and out easily and strong enough to be cleaned with a power washer.

See Applications for PN's

ACCESS® TAILGATE PROTECTOR

Armors your tailgate with durable, 18-gauge 304 stainless steel. Makes loading and unloading items from the truck box easier with a flat, even surface and beveled edge.

See Applications for PN's

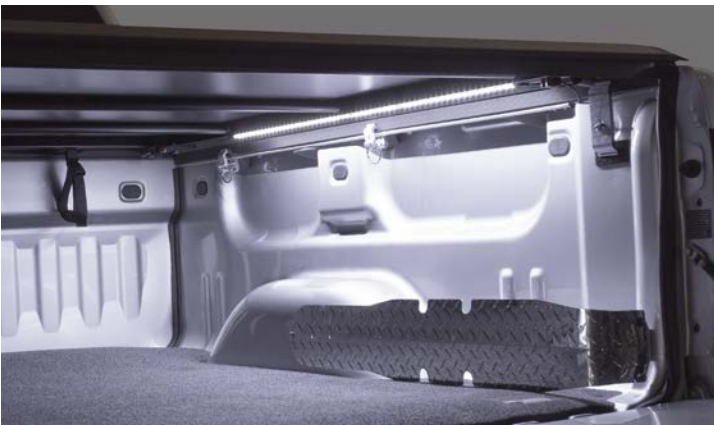

ACCESS® AA BATTERY LED LIGHTS

This waterproof light is a peel-and-stick solution for any dark place without the need for wiring. Factory set to automatically shut off after three minutes.

AA Battery PN 80312

Motion PN 90392

ACCESS® LED LIGHTS

Get instant light with the push of a button. These waterproof LED lights simply connect to a 12-volt power source and install using a peel-and-stick 3M adhesive.

See Applications for PN's

ACCESS® 39" BACK-UP LED LIGHT

Twice as bright as standard reverse lights. The waterproof light is simple to wire off of stock reverse lights and installs using a peel-and-stick 3M adhesive.

PN 90148

SEALING GASKETS

Seal gaps in truck box and protect cargo from dust, rain and debris.

TRAILSEAL® PN 30946 (shown)

ELEMENT SEAL™ PN 30890

ACCESS® TOTAL BED SEAL KIT

Seals manufacturer's gaps and holes in 07-ON Chevy/GMC box preventing dust, rain and snow from entering the truck box.

Total Bed Seal PN 60090

COVER CARE® CLEANER

A cleaner and protectant that repels water and dust while guarding against UV damage. Protect your cover's brand new look. Also works great on vinyl, rubber and leather.

8 oz. Bottle PN 80202

24 oz. Bottle PN 30919

EZ-RETRIEVER® CARGO REACHING TOOLS

Easily reach items that have slid to the front of your truck box. EZ-RETRIEVER® extends to 5 ft. 9 in. while EZ-RETRIEVER® II is fixed at 5 ft. long. Both let you reach up to 8 ft. away.

EZ-RETRIEVER® PN 50710

EZ-RETRIEVER® II PN 70950

ACCESS® TRUCK BED POCKETS¹

Create valuable storage from wasted space and keep your truck box more manageable. HD Pockets are 6 in. high aluminum pockets with diamond plate tread. G2 Pockets are 5 in. high pockets in galvanized steel.

HD Pockets PN 60085

G2 Pockets PN 70025

ACCESS® CARGO MANAGEMENT KITS¹

Prevent items from sliding to the front of the truck box. The convenience of ACCESS® Truck Bed Pockets and EZ-RETRIEVER® Cargo Reaching Tool combined into one affordable price.

ADARACTM

HOW WE ADD A RACK

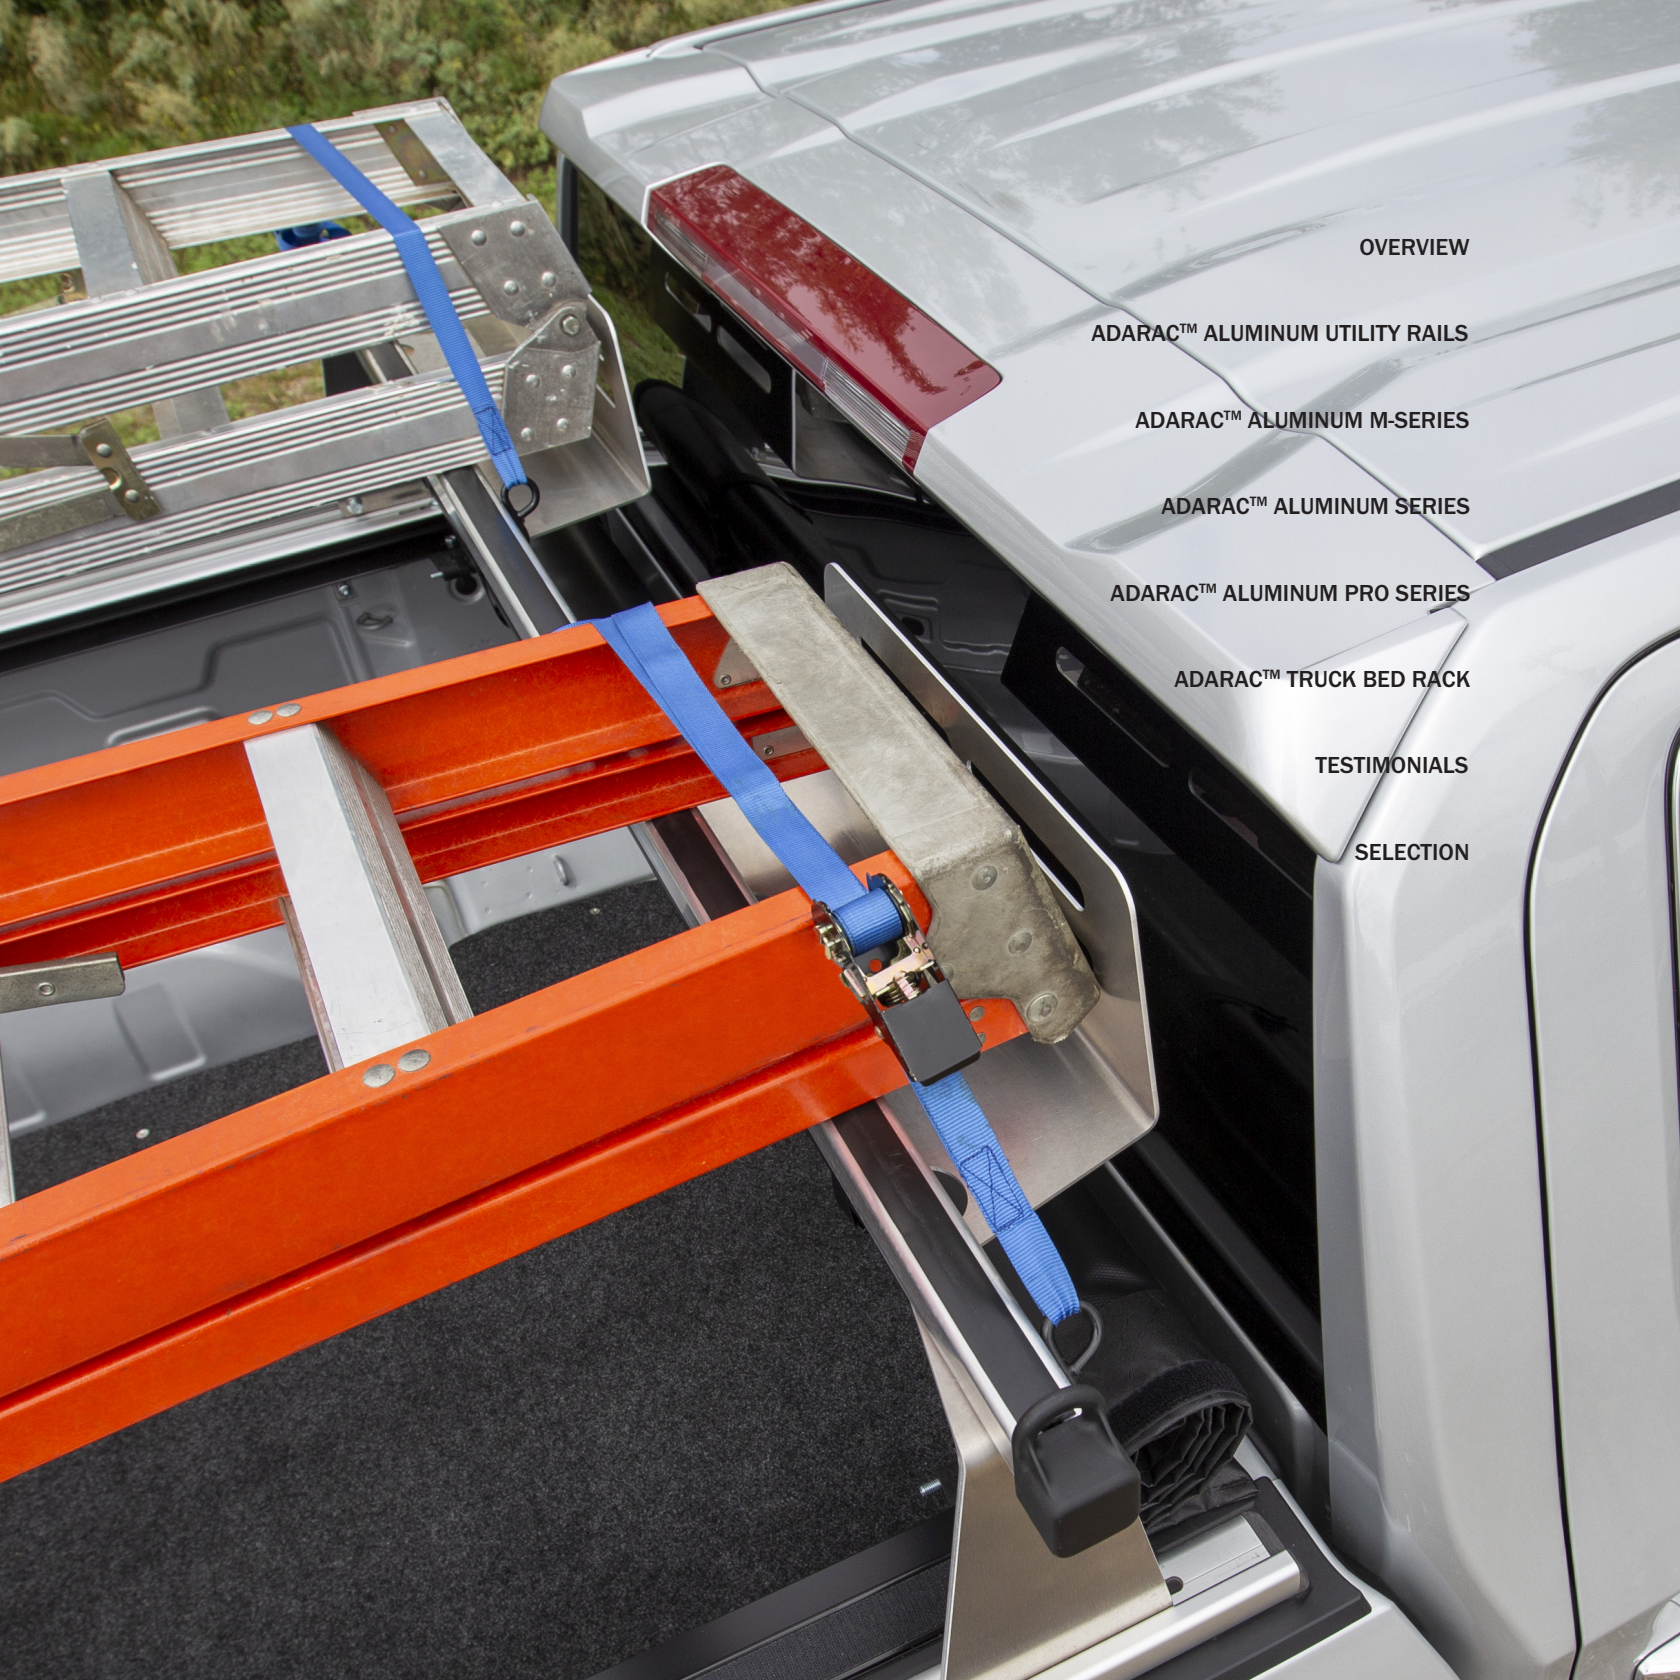

Enhanced cargo versatility to support your lifestyle, ADARAC™ Truck Bed Racks elevate cargo above most tonneau covers to increase payload capacity. Built tough to last utilizing a rugged frame construction and engineered to perform with easy integration of accessories. The adjustable ADARAC™ Truck Bed Racks are available in multiple sizes and styles to guarantee the right rack for your truck.

Tested. Trusted. Guaranteed.

WHY WE ADD A RACK

ADARAC™ Truck Bed Racks are the simple solution for your lifestyle. From camping to construction and everything in between, easily haul gear in and above your truck box with a cargo management system built for your pickup. The ADARAC™ Truck Bed Racks will get you and your gear to the next destination.

UPRIGHT PROFILES

¹Aluminum M-Series ²Aluminum Series ³Aluminum Pro Series ⁴Truck Bed Rack

COMPLETELY ADJUSTABLE

Simply reposition or remove the durable uprights to easily accommodate different loads.

FULLY EQUIPPED

Quickly tie down or add accessories to safely secure a wide range of cargo with integrated mounting channels.

ACCESSORIES COMPATIBLE

Unique no drill, stake pocket install leaves truck box open for additional accessories and a tonneau cover.

ABOVE THE BOX STORAGE

The heavy duty construction supports an evenly distributed 500 lb. load.

CUSTOM FIT

Engineered model specific for the best possible fit.

ADARAC™ Aluminum M-Series

ELEVATE YOUR EVERYDAY.

ADARAC™ ALUMINUM UTILITY RAILS

Delivering protection and a stylish appearance, ADARAC™ Aluminum Utility Rails are manufactured from corrosion resistant anodized aluminum. Quickly add or remove cargo accessories to suit your needs with an incorporated mounting channel along the entire rail. These model specific truck bed rails secure using aluminum stake pocket inserts and are compatible with most inside the rail tonneau covers. Add versatility to your life with ADARAC™ Aluminum Utility Rails.

Matte Black

Silver

TROUBLE-FREE INSTALLATION

Four aluminum stake pocket inserts, no drilling required.

HEAVY DUTY EXTRUDED RAILS

Built model specific with corrosion resistant aluminum to protect the bed caps from scuffs and scratches. Available in silver and matte black.

INCREASED UTILITY

Easily attach accessories utilizing the built-in mounting channels. Works with LOMAX™ Hard Covers, ACCESS® Roll-Up Covers and most inside the rail tonneau covers.¹

LOW PROFILE DESIGN

Less than 1-1/2 in. above the box for a sleek appearance.

¹Tonneau cover not included.

SILVER OR BLACK. YOUR CHOICE.

AVAILABLE FOR ALL ADARAC™ ALUMINUM MODELS

SILVER FINISH

Anodized aluminum utility rails with aluminum uprights and cross bars.

ADARAC™ Aluminum Series

BLACK FINISH

Anodized aluminum utility rails and cross bars with powder coated aluminum uprights.

ADARAC™ Aluminum Pro Series with Load Dividers

ADARAC™ ALUMINUM M-SERIES

Have more fun with less hassle. The ADARAC™ Aluminum M-Series features heavy duty, corrosion resistant aluminum construction with compact uprights for a sleek, aerodynamic design capable of supporting up to 500 lbs. Accessories can be quickly attached to safely secure gear using integrated mounting channels in the utility rails and cross bars. ADARAC™ Aluminum M-Series is small in stature, yet comes up big in utility.

TROUBLE-FREE INSTALLATION

Four aluminum stake pocket inserts, no drilling required.

MULTI-FUNCTIONAL CROSS BARS¹

Easily attach accessories and secure cargo using integrated mounting channels across the top and bottom. Anti-slip, anti-vibration rubber channel prevents cargo from shifting.

UTILITY RAILS

Quickly attach accessories utilizing built-in mounting channels, use with or without uprights.

MID-HEIGHT UPRIGHTS

Compact design, easily remove or reposition for larger load capacity.

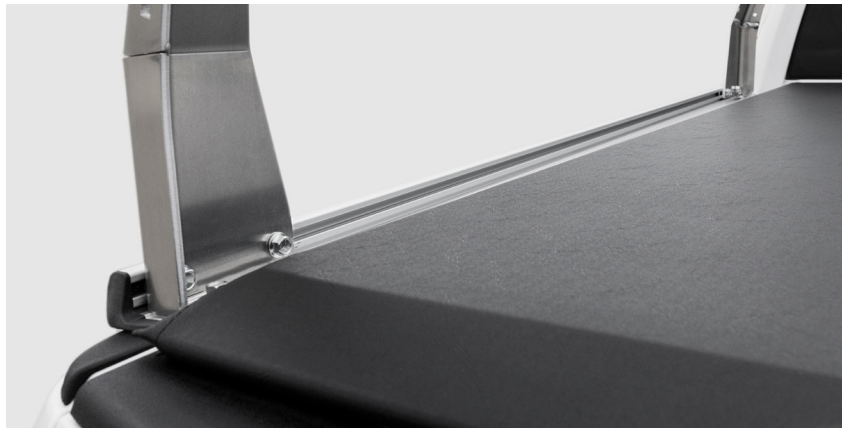

ADARAC™ ALUMINUM SERIES

Increase cargo capacity to a whole new level. The ADARAC™ Aluminum Series utilizes the same superior strength and reliable corrosion resistant construction with incorporated accessory channels as our ADARAC™ Aluminum M-Series. Contoured uprights are easy to reposition or completely remove for a simple carrying solution. Always prepared, the ADARAC™ Aluminum Series has the strength to get the job done.

COVER COMPATIBILITY¹

Works with ACCESS[®] Roll-Up Covers and most inside the rail roll up covers.

UTILITY RAILS

Quickly attach accessories utilizing built-in mounting channels, use with or without uprights.

MULTI-FUNCTIONAL CROSS BARS²

Easily attach accessories and secure cargo using integrated mounting channels across the top and bottom. Anti-slip, anti-vibration rubber helps stabilize cargo.

CONTOURED UPRIGHTS

Aerodynamic design with tie down openings at the top, easily remove or reposition.

Heights above the box rail: 23 in. for mid-size, 25 in. for full size and 27 in. for Super Duty trucks. ¹Tonneau cover not included. ²Cross bars are 66 in. L x 1-1/2 in. W x 1-1/2 in. H.

ADARAC™ ALUMINUM PRO SERIES

Industrial versatility with a strong emphasis on more. The ADARAC™ Aluminum Pro Series implements the same innovative construction and convenient installation as our other ADARAC™ Aluminum models. Vertical uprights maximize hauling power with limited framework interference for folding tonneau cover operation and cargo. The ADARAC™ Aluminum Pro Series is designed to haul more and do more.

TROUBLE-FREE INSTALLATION

Four aluminum stake pocket inserts, no drilling required.

MULTI-FUNCTIONAL CROSS BARS¹

Easily attach accessories and secure cargo using integrated mounting channels across the top and bottom. Anti-slip, anti-vibration rubber helps stabilize cargo.

CORROSION RESISTANT FRAMEWORK

Aluminum utility rails, uprights and cross bars support an evenly distributed 500 lb. maximum load.

COVER COMPATIBILITY²

Works with LOMAX™ Folding Hard Covers, ACCESS® Roll-Up Covers and most inside the rail tonneau covers.

Heights above the box rail: 24 in. for mid-size, 26 in. for full size and 27 in. for Super Duty and 20-0N GM HD 6' 8" trucks. ¹Cross bars are 72 in. L x 1-1/2 in. W x 1-1/2 in. H. ²Tonneau cover not included.

ADARAC™ TRUCK BED RACK

Taking versatility to new heights. ADARAC™ Truck Bed Rack effectively and efficiently extends your pickup's carrying capability with a durable powder coated steel frame to handle 500 lb. loads. Aluminum cross bars feature integrated mounting channels to conveniently attach accessories and secure cargo. The easily adjustable and removable uprights contour to the cab for an aerodynamic design. ADARAC™ Truck Bed Rack is strong, sturdy and stylish.

TROUBLE-FREE INSTALLATION

Four aluminum stake pocket inserts, no drilling required.

NO-HASSLE TIE DOWN RAILS

Quickly secure cargo to multiple tie down locations, use with or without uprights.

ALUMINUM CROSS BARS¹

Easily attach accessories and secure cargo using built-in mounting channels across the bottom.

COVER COMPATIBILITY²

Works with ACCESS[®] Roll-Up Covers and most inside the rail roll up tonneau covers.

Heights above the box rail: 25 in. for full size and 27 in. for Super Duty trucks. ¹Cross bars are 62 in. L x 1-1/2 in. W x 1-1/2 in. H. ²Tonneau cover not included.

STYLE AND PERFORMANCE COME STANDARD.

Find out why our customers continue to choose the line of ADARAC™ Truck Accessories.

OUR CUSTOMERS ARE OUR BEST SALESPEOPLE

ADARAC™ Aluminum Pro Series

“The aluminum series rack was quick and easy to install. I use the rack for hauling kayaks and bikes so the angled uprights are close to the body lines so it doesn’t make my truck look out of place.”

Jeremy B. - AL

“The Adarac truck bed rack is awesome. I needed it for hauling kayaks and paddleboard. Two kayak “J” racks fit nicely and I should be able to get two paddleboards stacked between each kayak. Awesome product and easy installation.”

Timothy B. - ND

“All welds are perfect/flawless. Powder coat application is beautiful. Fit is exact to my 2004 F-150 6.5’ truck box. The instructions were clear, and all hardware was supplied (and is high quality, you can really torque the bolts down). The end result looks fantastic and is rock solid!”

Jesse R. - IA

“We use it to haul our two kayaks. Fits great on our 2019 Ram 1500 short bed crew cab with our existing Undercover Armor Flex folding bed cover. Assembly & installation was very easy. The only slightly complicated part was cutting out the stake pocket openings to use the rack.”

Jeff M. - CO

“I installed two more racks this week with two more waiting to be done. Great design, only question to ask is what took so long before they came on the market.”

Laverne P. - BC

“This pickup rack is perfectly suited for all my needs. It was easy to install and very user friendly. I love that it provides fully adjustable tie down locations making any load easy to secure. Not too many extras, it just works and looks good!”

Mark B. - MT

ACCESSORIES

Take full advantage of your ADARAC™ Truck Bed Rack with these convenient accessories designed to maximize the use of your pickup. Our truck bed rack accessories range from durable headache racks and uprights to unique storage securing options made to work exclusively with ADARAC™ Cross Bars and Rails with mounting channels.

ADARAC™ ALUMINUM UPRIGHT KIT

Maximize load capacity with multilevel storage, easily reposition or remove. Kit includes two uprights, one cross bar and hardware.

Heights above the box rail are as follows:

Vertical: 12 in.

Contoured: 23 in., 25 in. and 27 in.

Vertical Pro: 24 in., 26 in. and 27 in.

Available in silver or matte black.

ADARAC™ CAB GUARD KIT² (set of two)

Heavy duty corrosion resistant aluminum protects the cab from forward shifting cargo while allowing for easy loading. The simple installation allows for easy repositioning with three bolts.

Height above cross bars: 4-1/4 in.

Available in silver or matte black.

²Only for ADARAC™ Cross Bars with mounting channels.

ADARAC™ LOAD DIVIDERS¹ (set of four)

Freely reposition along cross bars to stabilize and secure cargo. Maximum 100 lbs. capacity per load divider.

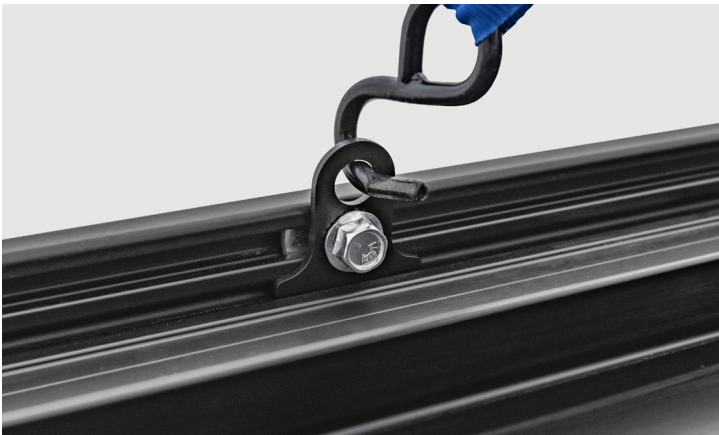

Height above cross bars: 3 in.

Available in silver or matte black.

ADARAC™ ANCHOR CLEATS¹ (set of two)

Freely reposition along cross bars to easily secure and stabilize cargo. Maximum 100 lbs. capacity per anchor cleat.

ADARAC™ TIE DOWNS² (set of four)

Freely reposition along rails to easily secure cargo in truck box. Maximum 50 lbs. capacity per tie down. Tie down strap not included.

Available in silver or matte black.

ACCESS® TRUCK BED POCKETS³ (set of two)

Create valuable storage from wasted space and keep your truck box more manageable. HD Pockets are 6 in. high aluminum pockets with diamond plate tread. G2 Pockets are 5 in. high pockets in galvanized steel.

ACCESS® ORIGINAL ROLL-UP COVER

Freedom to use your truck bed the way you want, simply roll the cover open to easily haul oversized loads and roll closed for superior protection. Strategically placed weather seals form a tight barrier between your truck and tonneau cover. Compatible with all ADARAC™ Truck Bed Racks.

LOMAX™ HARD COVER

Embodiment of strength with an industry changing design, the ultra low profile element of this hard cover blends seamlessly with your truck. LOMAX™ Hard Covers are engineered to perform from the water-shedding design to the easy installation and removal. Compatible with ADARAC™ Aluminum Pro Series.

³Truck Bed Pockets not compatible with Stepside boxes.
