# ABOUT US

Addictive Desert Designs was born in Arizona in 2007 out of a garage, and now occupies an 80,000 square foot facility and corporate office. With in-house R&D and manufacturing, combined with our passion and innovation being first to market, we manufacture quality offroad bumpers, side steps, chase racks, bed racks, suspension, and now fairleads, wheels, and other accessories. From our industry leader Raptor bumpers to our ever-growing products for nearly every modern truck on the market, we are raising the bar on style and performance one truck at a time.

Addictive Desert Designs is now part of Drake Automotive Group

# FEATURED NEW PRODUCTS

The Capture fairlead system holds your hook in place when not in use. The Capture system keeps your hook from dangling, making for a clean and low profile front end.
