SFI Roll Bar Padding

Provides 180 degree coverage where space concerns are not a problem. Peel and stick backing for easy installation. Meets SFI 45.1 specifications. Choose from two sizes, each 3 feet long, black only.

Part No.	Description
ALL14110	3/4" Thick, Fits 1-1/8" To 1-1/2" O.D. Tubing
ALL14111	1" Thick, Fits 1-5/8" To 2" O.D. Tubing

SFI Mini Roll Bar Padding

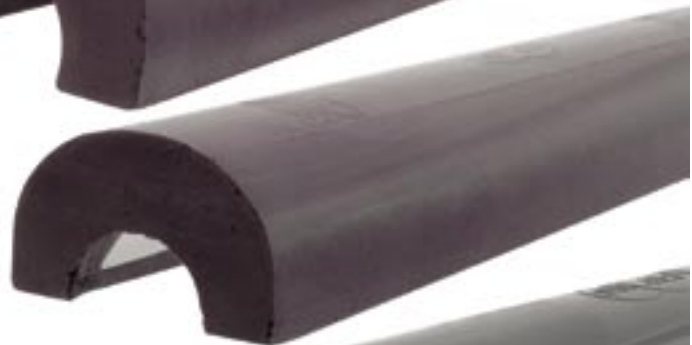

Mini roll bar padding is ideal for tight areas in a race car when standard padding is too large. Unique, compact design provides driver protection to a specific area. Peel and stick backing for easy installation on 1-1/4" to 1-3/4" tubing. Meets SFI 45.1 specifications. Sold in 3 foot lengths, black only.

Part No.	Description
ALL14112	5/8" Thick, Fits 1-1/4" To 1-3/4" O.D. Tubing
