

Part No. ALL22236-22238

Aluminum Panels

Universal panels have many uses around the shop or at the track. Panels work well when fabricating spoiler sides, interior panels or on uneven pit areas as a floor jack plate. 24" x 48".

| Part No. | Thickness |
|----------|-----------|
| ALL22236 | .063" |
| ALL22237 | .090" |
| ALL22238 | .125" |
