

Part No. **ALL23210**
 ALL23211
 ALL23215

2-Piece Dirt Roofs

High impact plastic roofs are constructed of two separate pieces to simplify installation and are UPS shippable. Roof has a built in flange to provide a finished look once installed and create added strength to center. Leading edge of roof is recessed for an optional roof cap. Assembled roof measures 50" long x 48" wide and weighs less than 13lbs.

Part No.	Description
ALL23210	White Roof
