

Part No. ALL42004
ALL42005

Directional Rotors

Heavy duty 40 vane brake rotors provide added strength and cooling over standard 36 vane rotors. 11.75" x 1.25" 8 bolt rotors weigh just 11 pounds and have ball milled slots to keep rotor clean.

Part No.	Description
ALL42004	Left Hand Rotor
ALL42005	Right Hand Rotor

Rely only on premium performance brakes, pads, rotors on our virtual shelves.
