

Part No. ALL44056-44058  
ALL44046-44048

## Tire Pressure Gauges, Glow In The Dark

Tire pressure gauge has a glow in the dark face. Swivel chuck rotates 360 degrees on a 14" long rubber hose for easy placement on valve stems with leak free operation. A rubber cover surrounds the gauge for added protection against drops and has a ribbed molded pattern for increased grip. Gauge also features a built-in pressure release valve for removing air in small amounts for precise pressure adjustments.

**Part No. 2-1/4" Diameter**

- ALL44056.....0-15 PSI
- ALL44057.....0-30 PSI
- ALL44058.....0-60 PSI

**Part No. 4" Diameter**

- ALL44046.....0-15 PSI
- ALL44047.....0-30 PSI
- ALL44048.....0-60 PSI
