

Part No. **ALL68060-68115**

Spools

Replace a troublesome positive traction unit with a high quality Allstar spool. Substantially lighter than conventional carriers, spools deliver equal power to both rear wheels. Ultra-lite steel spools have more lightening holes and a narrower ring gear flange than standard units.

Ford 9" Steel Spools

Part No.	Description
----------	-------------

ALL68060.....	28-Spline, Scalloped, 7.5 Lbs.
