

Part No. ALL76406
ALL76407

Convex Mirrors

Convex mirrors have a curved face to view a wider area which is ideal for keeping an eye on the competition. Mirrors have built-in mounting tabs with 1/4"-20 threaded inserts for convenient mounting. Universal brackets ALL10452-10454 are commonly used when mounting mirrors to round tubing such as roll cages.

Part No:	Description
ALL76406.....	Convex Mirror 14" x 2-1/2"
ALL76407.....	Convex Mirror 17" x 3"
