

**Part No. ALL78115**

## Castrol SRF Brake Fluid

Castrol SRF Brake Fluid has a wet boiling point of 518°F (270°C) which exceeds DOT 3 and 4 standards. Do not mix Castrol SRF and other brake fluids, as this will reduce the benefits of Castrol SRF. Sold in 1 liter containers (33.8 ozs.)

Rely only on high-grade oils, fluids, lubricants on our virtual shelves.
