

American Racing®

CUSTOM WHEELS

From performance on the track to bravado on the street, there has been one constant - innovation. It pushes everything we do. With decades of heritage in American motor sports across every discipline, every turn of an American Racing wheel proves one simple thing, we're never idle.

TWO-PIECE CAST

The American Racing Two-Piece cast series offers the flexibility in size and Fitment that can only come from a Two-Piece weld together wheel. With sizes ranging from 14" through 22" and the ability to build offsets in 1/8" increments, there is almost no Fitment that can't be built. The American Racing Two-Piece cast series is the ultimate compliment to the vehicle that has been meticulously thought out.

AMERICAN RACING

TWO-PIECE FORGED

Stronger and lighter than cast alternatives, the American Racing Forged line is 100% made in the USA. Wheels are made of 6061 forged aluminum, hand crafted and made to order by the size, style, Fitment, and finish. Precision, strength and a history of performance-based innovation makes these wheels the ultimate compliment to any vehicle.

THREE-PIECE FORGED

The American Racing Three-Piece Forged wheel series offers more customization than ever before. The Three-Piece construction allows for unmatched flexibility when it comes to styles, sizes, fitments and finishes. The Three-Piece wheels are made with forged 6061 aluminum centers bolted to forged aluminum rim halves, that create a strong wheel that is also lightweight.
