

Description: 3rd Brake Light  
Part Number: 531001 - 531002 - 531007  
Application: 2002 - 2008 Dodge Ram

Tools Needed: Phillips  
screwdriver.

Step 1: Locate the two phillips  
screw on both ends of the  
third brake light and remove

Step 2: Take off the light  
from the vehicle.

Step 3: Twist off the light  
bulb socket from the third  
brake light.

Step 4: Remove the middle  
light bulb from the socket.

Step 5: Plug our new Anzo  
third brake light into the  
original bulb socket.

Step 6: When connecting our  
new Anzo third brake light  
make sure orange wire lines  
up with the white/yellow wire  
and black to red/green wire

Step7: Twist the two cargo  
blubs into the new Anzo light.

Step 8: Test all functions for  
proper installation before  
driving.

AnzoUSA™ products are covered, by a limited one (1) year warranty, to be free of manufacturer's defects. However, certain AnzoUSA™ product categories have warranty policies which differ from this standard, please contact your representative for detailed category information. Damage due to improper installation or road hazards is not covered. Seller and manufacturers' only obligations shall be to replace the product proven to be defective. Neither seller nor manufacturer shall be liable for any injury, loss or damage, direct or consequential, arising out of the use of or the inability to use the product. Before using, user shall determine the suitability of the product for its intended use, and user assumes all risk and liability whatsoever in connection therewith.
