

Description: [3rd Brake Light](#)
Part Number: 531001 - 531002 - 531007
Application: 2002 - 2008 Dodge Ram

Tools Needed: Phillips screwdriver.

Step 1: Locate the two phillips screw on both ends of the third brake light and remove

Step 2: Take off the third brake light from the vehicle.

Step 3: Twist off the light bulb socket from the third brake light.

Step 4: Remove the middle light bulb from the socket.

Step 5: Plug our new third brake light in original bulb socket

Step 6: When connecting our new Anzo third brake light make sure orange wire lines up with the white/yellow wire and black to red/green wire

Step 7: Twist the two cargo bulbs into the new Anzo light.

Step 8: Test all functions to ensure proper installation before driving.

AnzoUSA™ products are covered, by a limited one (1) year warranty, to be free of manufacturer's defects. However, certain AnzoUSA™ product categories have warranty policies which differ from this standard, please contact your representative for detailed category information. Damage due to improper installation or road hazards is not covered. Seller and manufacturers' only obligations shall be to replace the product proven to be defective. Neither seller nor manufacturer shall be liable for any injury, loss or damage, direct or consequential, arising out of the use of or the inability to use the product. Before using, user shall determine the suitability of the product for its intended use, and user assumes all risk and liability whatsoever in connection therewith.
