

Description: [Euro and LED Taillights](#)
Part Number: 311150, 211104, 211105
Application: 99-03 Jeep Grand Cherokee

Tools needed
Phillips Screw driver

Remove the two phillips screws
that hold the taillight in place.

Remove the taillight by pulling
straight out.

Unclip the harness plug from
the taillight.

Plug the harness coming off of the
new taillight in to the stock plug.

Bolt the taillight back into place
and check all functions before
operating on public highways.

Both the Euro and the LED
install the same way.
