

Description: [Euro and LED Taillights](#)  
Part Number: 311150, 211104, 211105  
Application: 99-03 Jeep Grand Cherokee

---

Tools needed  
Phillips Screw driver

Remove the two phillips screws  
that hold the taillight in place.

Remove the taillight by pulling  
straight out.

Unclip the harness plug from  
the taillight.

Plug the harness coming off of the  
new taillight in to the stock plug.

Bolt the taillight back into place  
and check all functions before  
operating on public highways.

Both the Euro and the LED  
install the same way.
