SATISFACTION GUARANTEED

OUR PROMISE SETS US APART

OUR SERVICE

As an industry leader in aquapark innovation, quality, and customer care we provide an industry leading level of service. We specialize in creating custom solutions for any location or size. Our team will guide you through feature selection and park design, all the way through installation and beyond.

OUR TECH

Through patented technologies, we provide products that are guaranteed to perform. Our commitment to using only the highest quality materials ensures both durability and safety. At the heart of every Aquaglide Aquapark is our ISO certified, proprietary Vario Lock System™. Allowing for quick and secure in-water attachment, creating limitless park configurations.

OUR PROMISE

We promise to make the highest quality and safest products on the market. We promise to always be there when you need us. We promise to never lose our passion for innovation by continually pushing the limits of what is possible.

INNOVATIVE TECH

PUSHING THE BOUNDARIES

Our patented technology paired with our seamless design and production system has earned us an ISO/EN certification. All Aquaglide park components feature drop-stitch tech on every connection, our patented velcro-free Vario Lock System™, and premium CX3 4P 31oz fabric. Our aquapark features are built to last and are sure to stand the test of time.

ISO & EN CERTIFIED

Our products are third-party certified compliant with EN 15649 and EN / ISO 25649, the highest standards in the aquapark business.

THREE YEAR WARRANTY

3-year limited warranty against any manufacturing defects.

VELCRO FREE Vario Lock

Our unique Vario Lock cinch strap system sets the standard for safe, durable aquapark connections.

DROP-STITCH TECHNOLOGY

Hot-air welded with 3-layer seams and ultra-durable 2-layer fused construction for maximum longevity.

COMMERCIAL GRADE MATERIAL

Aquaglide play structures and I-Beam connectors use CX3 Duratex material. Thicker (0.9mm/ 31oz) 1000d polyester core.

UNLIMITED BOARDING AREAS

Industry leading dropstitch connections allow endless opportunities to board the aquapark.

DIVERSE PRODUCT LINE UP

UNLIMITED CONFIGURATIONS

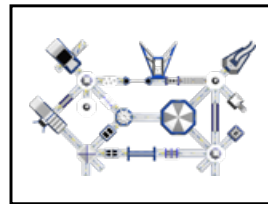

With over 100 unique park features to choose from, the only limitation of your park is your imagination. Our ever-expanding line of products is completely customizable thanks to our proprietary Vario Lock System™. We have various pre-designed parks to choose from, each with several configuration options.

If you're looking for a fully custom configuration, we will provide professional design to create your dream park.

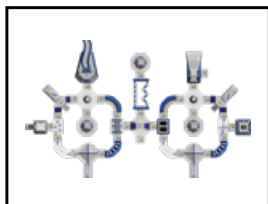

For over 15 years, we have been building custom aquaparks all over the world, from 5-star resorts to lakefront properties and everywhere in-between. Whether your location is big or small, shallow or deep, freshwater or saltwater, we offer custom parks that fit your unique needs.

CUSTOM

THE AQUAGLIDE DIFFERENCE

VARIO LOCK

Aquaglide components are designed to easily interconnect. All of our items are capable of connecting via our exclusive Vario Lock strap system with our dropstitch connections. We are proud to have developed a connection system that has proven to be a innovation in the aquapark industry. Our Universal pieces allow unlimited park designs. These octagon shaped platforms allow our dropstitch connections to connect to all eight sides at once offering multiple angles and unlimited possibilities for aquapark design. The Universal pieces can be used as a hub, a corner or anything in between. Park layouts can be changed quickly and easily which allows your aquapark to evolve as it grows. Our Vario Lock system allows aquapark scalability to accomadate increasing demands in capacity.

HIGH PRESSURE TECHNOLOGY

Our high pressure (HP) construction utilizes high quality dropstitch material that can withstand an internal pressure of up to 20 psi (1,4 bar) without damage. Working pressure of the HP material is 2 psi (0,14 bar), keeping it so far below its break strength that durability is not an issue. These products are subject to extreme abuse from toes, heels, knees & elbows. They also take the worst of daily pressure extremes due to thermal expansion from the sun. Other advantages of HP material is that it offers a smooth, flat, low-profile platform that is much easier to board from the water.

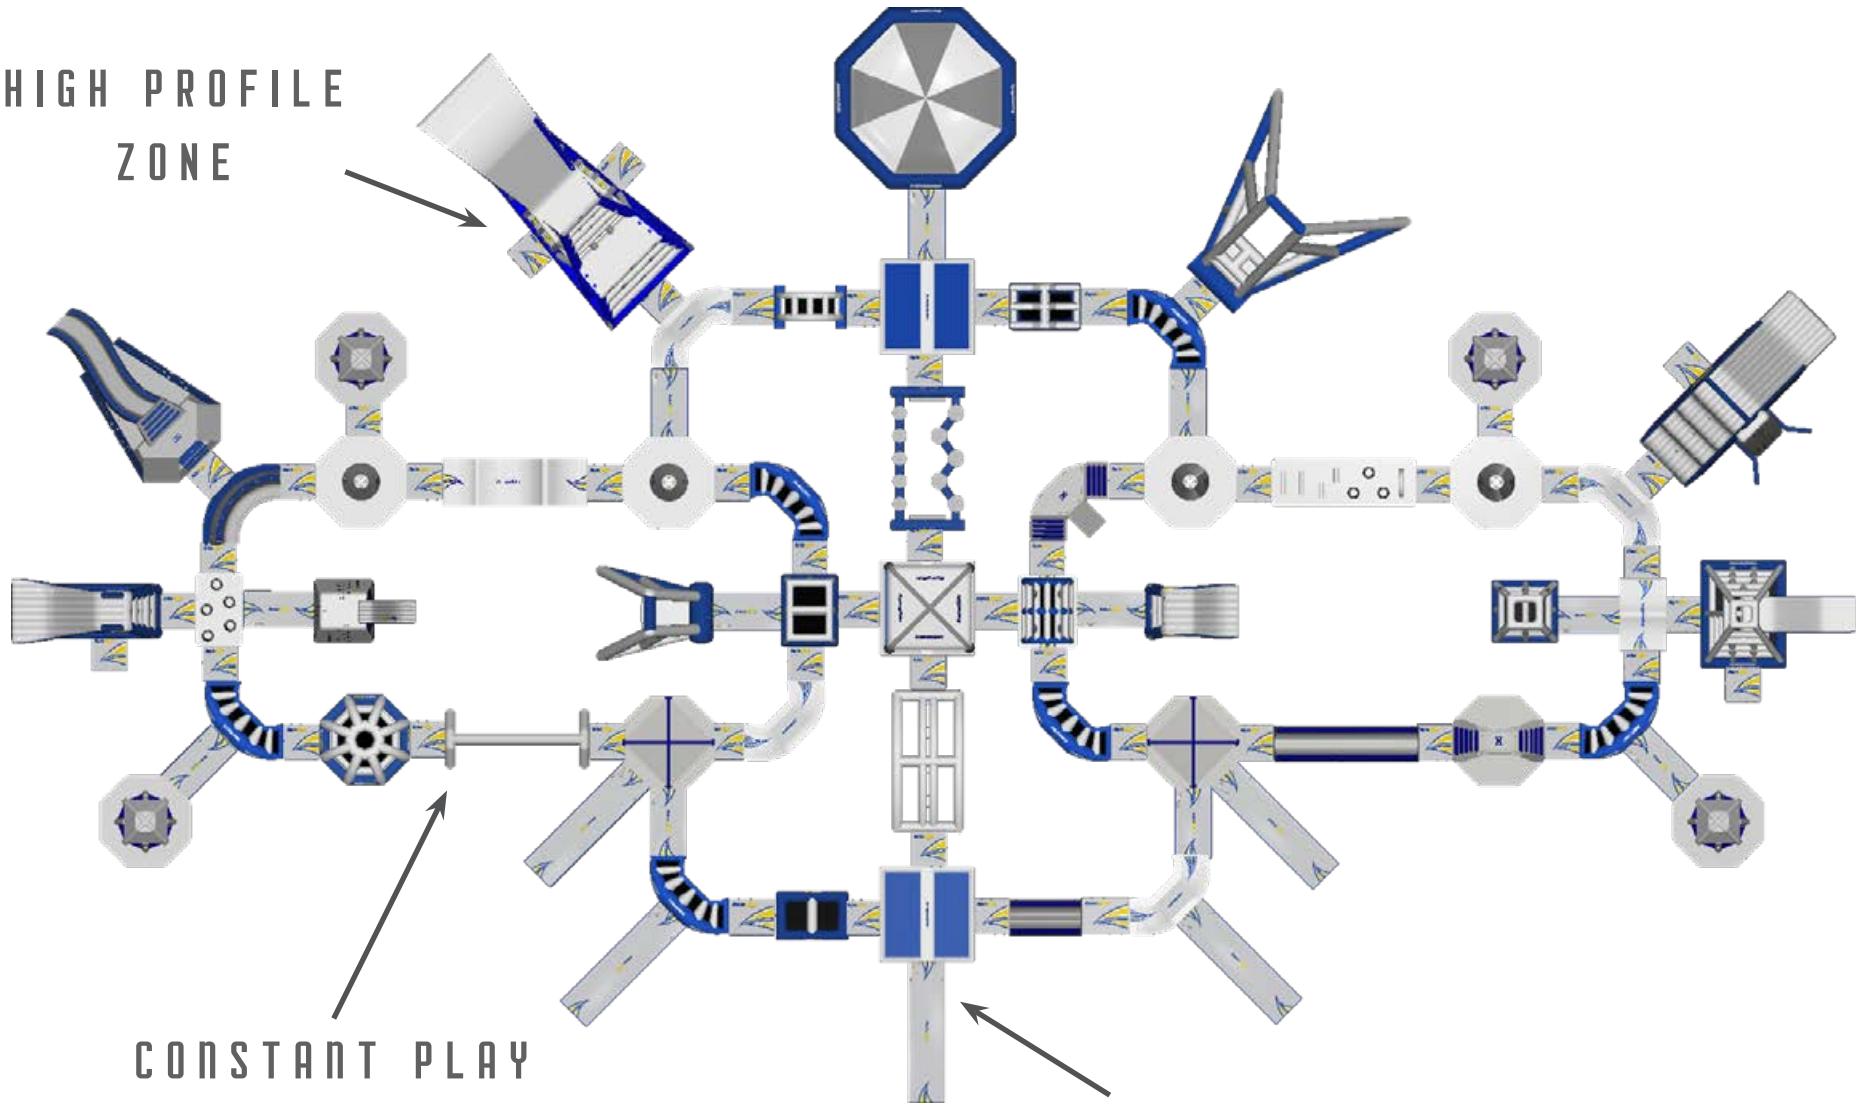

MONSOON SPRAY SYSTEM

Aquaglide is the only manufacturer to offer a misting/spray system built into a park, to reduce surface temperatures and decrease friction. Irrigating a park with the Monsoon system keeps pieces cool in high UV environments, increasing product lifespan and participant excitement.

AQUAPARK ZONES

HIGH PROFILE
ZONE

CONSTANT PLAY
LOW PROFILE ZONE

BOARDING ZONE

HIGH PROFILE ZONE

Aquaglide park designs are crafted to guide participants toward areas where they are most comfortable. More daring participants are often drawn to pieces offering excitement, height and deep water presented by high profile excitement zones. Large-scale features provide big thrills for those confident enough to try them. Demanding challenge sections and technical features test the skills of any user. Younger or more timid participants can also still venture safely, and expand their level of play.

CONSTANT PLAY LOW PROFILE ZONE

This area serves as a destination for families and younger participants as well as a resting and transitional zone. Make no mistake, there's plenty of fun and excitement to be had here, but the challenges are more moderate and social spaces more prevalent. Water depth transitions here from shallow to deep. Team-building and cooperation skills are emphasized in this zone where anything is possible and there's something fun for everyone!

BOARDING ZONE

The boarding zone typically occupies shallow water depths and allows participants to safely transition to their preferred area in the park. This zone can be purely boarding-oriented, but it also provides the potential to encourage young families and the youngest participants to test the waters of aquapark fun and excitement with low-profile challenges and comfortable resting spaces.

COMMERCIAL PARK PIECES

Aquaglide

Aquaglide

NEW

THOR

Thor presents a towering spectacle with huge capacity and diverse features to keep users charging back for more. Two novice up-down climbing routes utilize Tritex material for traction and cooling effects. Once the ascent is made, users choose from one of three jumping platforms located at 9' H (2.74 m), 12' H (3.66 m) and 12.7' H (3.87 m) respectively. Two integrated high-velocity chute slides and two angled drop slides provide (slightly) milder descent options. Once in the water, avid climbers can test their skills on one of two advanced climbing lines ascending from the water. Connects to any aquapark on one or two sides using Aquaglide's Interlock system. Ideally positioned in the center of a track run, Thor also makes a magnificent feature or stand-alone item.

INFO:

DIMS: L 30' x W 15' x H 12.7'
(L 914cm x W 457cm x H 387cm)

CAPACITY:
12 Adults or 12 Children

MINIMUM WATER DEPTH: 9.3ft (2,84m)

ITEM #: 585222150

DOUBLE ICECAP

NEW

DOUBLE ICECAP

Sure, Double Icecap looks innocent enough, but this obstacle challenge is not to be underestimated. Bold users balance across this double-bounce pillow, while others may prefer to traverse along the perimeter. True to its' name, this feature has double the fun of the Universal Icecap, and when wet the Icecaps become as slippery as ice. Ideally positioned in the center of a park run, Double Icecap connects to any aquapark on two sides using our Interlock connection system.

INFO:

DIMS: L 20' x W 10.6' x H 3.1'
(L 609cm x W 323cm x H 95cm)

CAPACITY:
4 Adults or 4 Children

MINIMUM WATER DEPTH: 4.5ft (1,38m)

ITEM #: 585222153

FIGURE 8

NEW

FIGURE 8

Figure 8 is a unique balance obstacle that presents a distinct challenge consisting of two 'S' shaped routes. The easier path is paved with mildly textured Tritex material for more positive traction, while the more challenging route is likely to test the skills of even the most talented among us. Interior boarding tubes and handles help users reboard easily after a splashdown. Connects to any aquapark on two ends using our Interlock connection system.

INFO :

DIMS: L 20' x W 10.6' x H 1.6'
(L 609cm x W 323cm x H 48cm)

CAPACITY:
4 Adults or 4 Children

MINIMUM WATER DEPTH: 3.7ft (1,14m)

ITEM #: 585222154

Aquaglide

NEW

ANVIL

Add serious thrills with this large corner jump feature. Two novice up-down climbing routes utilize Tritex material for traction and cooling effects. Once on top users choose from three jumping platforms, two located at 8' H (2.44 m) and one at a towering 10' H (3.05 m). The main platform features a high-velocity chute slide option for a (slightly) milder descent than a full standing jump. The inside corner offers an exciting 8' (2.44m) tall drop slide while avid climbers test their skills on two advanced lines ascending from the water on the outside corners. Ideally positioned as a corner on Ring or Serpentine parks, this item can also be used as a stand-alone. Connects on one or two sides using our Interlock connection system.

INFO:

DIMS: L 15' x W 15' x H 10'
(L 457cm x W 457cm x H 305cm)

CAPACITY:
8 Adults or 8 Children

MINIMUM WATER DEPTH: 8ft (2,43m)

ITEM #: 585222101

NEW

HAMMER

One step down in size from the Anvil, this significant corner jump feature still offers plenty of excitement. Two novice up-down climbing routes utilize Tritex material for traction and cooling effects. One massive platform at 8' H (2.44 m) provides the perfect jump-off zone. Avid climbers ascend from the water with an advanced climbing wall from the inside corner. Ideally positioned as a corner on Ring or Serpentine parks, this item can also be used as a feature or stand-alone. Connects to any park on one or two sides using our Interlock connection system.

INFO :

DIMS: L 15' x W 12' x H 9.5'
(L 457cm x W 366cm x H 290 cm)

CAPACITY:
6 Adults or 6 Children

RIVIERA LOUNGE

As part of Aquaglide's Lounge series, the Riviera is where everyone wants to relax. Featuring half-moon cutouts, integrated cupholders and a central cooler-drop feature, guests can lounge on the shaded deck or side up to one of eight integrated cupholders from the water. Accommodates up to six users on deck and creates a versatile social space or VIP lounge. Use Riviera Lounge as a standalone item or connect it to other Aquaglide Aquapark accessories on two sides.

INFO:

DIMS: L 10' x W 10' x H 7.4'
(L 305cm x W 305cm x H 227cm)

CAPACITY:
6 Adults or 6 Children

MINIMUM WATER DEPTH: 3.3 ft (0,98m)

ITEM #: 585221112

NEW

C LOUNGE

As part of Aquaglide's Lounge series, the C Lounge offers something a little different than all other lounges. This C-shaped platform offers easy swim-up access, plentiful seating and an integrated cooler drop for staying cool while soaking in the sunshine. Easily accommodates up to eight users with spacious seating and comfy backrest. Use as a standalone VIP lounge or connect it to other Aquaglide park items or lounges on up to two sides with our Interlock system.

INFO:

DIMS: L 14.7' x W 14.7' x H 2'
(L 448cm x W 448cm x H 61cm)

CAPACITY:
8 Adults or 8 Children

MINIMUM WATER DEPTH: 3.3 ft (0,98m)

ITEM #: 585222157

LOKI

The Loki combines the excitement of a warped luge slide with two novice ladder walls, two mini-drops, and four advanced climbing lines. A center access format is used to reach the main luge slide via built-in ladder walls. Or users can take advanced climbing lines to reach the expansive cave area under the slide for a convenient place to lounge. The Loki accommodates up to 10 users and is ideal as a standalone feature or as part of any AquaGlide Circuit Aquapark layout configuration.

INFO:

DIMS: L 17.5' x W 15.1' x H 10.6'
(L 5,3m x W 4,6m x H 3,2m)

CAPACITY:
10 Adult or 10 Child

MINIMUM WATER DEPTH: 8.3ft (2,53m)

ITEM #: 585221113

LOKI CORNER

An alternative to the standard single-entry Loki, the dual entry Loki Corner offers the same exciting warped luge slide plus three novice ladder walls, one large mini-drop, four advanced climbing lines, and an expansive cave hangout area. The dual entry format of the Loki Corner connects at two boarding terminals using Vario straps. Designed to fit perfectly into the corner of Ring Series Aquaparks, the Loki Corner also makes an excellent standalone feature for up to 10 users at once.

INFO:

DIMS: L 17.5' x W 15.1' x H 10.6'
(L 5,3m x W 4,6m x H 3,2m)

CAPACITY:
10 Adult or 10 Child

MINIMUM WATER DEPTH: 8.3ft (2,53m)

ITEM #: 585221101

LUGEBACK

The Lugeback is a warped luge corner with a cliffhanger ledge for walking on the backside that adds challenge and diversity to any Ring Series Aquapark layout. Users can slip and slide around the inside corner with a bit of speed or choose a more deliberate path along the backside cliffhanger section. The Lugeback is designed as a corner feature for Aquaglide Ring Series Aquaparks and connects on three sides using Vario straps.

INFO:

DIMS: L 15.2' x W 7.1' x H 4.1'
(L 4,6m x W 2,2m x H 1,3m)

CAPACITY:
2 Adult or 2 Child

MINIMUM WATER DEPTH: 5ft (1,54m)

ITEM #: 585221102

QUARTERBACK

The Quarterback Corner adds diversity and play value to Ring Series Aquaparks. With two novice climbing walls, one mini-drop, and a dedicated jump/blast zone, the Quarterback is a user-favorite destination that accommodates five users. This feature perfectly fits the Aquaglide Ring Series layouts' corners and connects on three sides using Vario straps.

INFO:

DIMS: L 17.5' x W 15.1' x H 10.6'
(L 5,3m x W 4,6m x H 3,2m)

CAPACITY:
5 Adult or 5 Child

MINIMUM WATER DEPTH: 5.3ft (1,62m)

ITEM #: 585221103

Aquaglide

Aquaglide

LUGEWAY 10

A ten-foot luge straightaway built for speed, the Lugeway 10 works as a walkway—but ambitious users strive to slide all the way across. Connects at both ends using Vario straps and fits any Aquaglide Aquapark Series configuration. The Lugeway is available to two sizes, the Lugeway 10 and the Lugeway 20.

INFO:

DIMS: L 10' x W 5.2' x H 3.4'
(L 3,1m x W 1,6m x H 1,6m)

CAPACITY:
1 Adult or 1 Child

MINIMUM WATER DEPTH: 4.7ft (1,43m)

ITEM #: 585221104

LUGEWAY 20

LUGEWAY 20

This 20-foot straightaway challenges users and adds diversity to any aquapark layout. Built for speed, the Lugeway 20 challenges users to attempt to slide all the way across or works as a transition walkway to other features. The Lugeway 20 connects at both ends using Vario straps and fits any Aquaglide Aquapark Series configuration. The Lugeway is available to two sizes, the Lugeway 10 and the Lugeway 20.

INFO:

DIMS: L 20' x W 5.2' x H 3.4'
(L 6,1m x W 1,6m x H 1,1m)

CAPACITY:
2 Adult or 2 Child

MINIMUM WATER DEPTH: 4.7ft (1,43m)

ITEM #: 585221105

UNIVERSAL ARCHWAY

Whether it's the high or low road, the Universal Archway is where paths diverge. Featuring an intermediate climbing arch above and a tunnel below, this feature adds excitement, diversity, and play value for up to six users at once. Designed to fit any Aquaglide Aquapark Series, the Universal Archway can be connected to other park features on all eight sides.

INFO:

DIMS: L 12.6' x W 12.6' x H 8.2'
(L 3,9m x W 3,9m x H 2,5m)

CAPACITY:
6 Adult or 6 Child

MINIMUM WATER DEPTH: 7.1ft (2,17m)

ITEM #: 585221106

Aquaglide

Aquaglide

UNIVERSAL PAVILION

The Universal Pavilion provides a convenient and comfortable shaded rest area, play area, or social space for up to six users. The rugged Cx3 commercial-grade construction and heavy-duty tent shade are designed to stand up to the elements and it connects to other Aquapark features on all eight sides. Use the Universal Pavilion as a standalone item or incorporate this feature into any Aquaglide Aquapark layout as a universal hub.

INFO:

DIMS: L 12.6' x W 12.6' x H 12.4'
(L 3,9m x W 3,9m x H 3,9m)

CAPACITY:
6 Adult or 6 Child

MINIMUM WATER DEPTH: 3.5ft (1,06m)

ITEM #: 585221107

O.G. LOUNGE

As part of Aquaglide's Lounge series, the O.G. Lounge is an ideal waterfront hangout for family-sized groups. With its integrated barstool seating, raised table, cupholders, and shaded canopy top, the O.G. Lounge accommodates up to six users and creates a versatile on-the-water social space. Use the O.G. Lounge as a standalone item or connect it to other Aquaglide accessories.

ITEM #: 585221115

Amia Inflatable

JUNGLE JOE

JUNGLE JOE

EVEREST

As the tallest and most thrilling structure in the Aquaglide commercial line, Everest is an attention-grabbing marquee Aquapark piece or standalone feature. At over 20 feet high, the Everest features a wide zero-entry slide that enables multiple users at once, multiple climbing lines, and a sizeable interior play structure for bouncing, climbing, hiding, and resting. Use the Everest as a standalone focal point, or connect it to other Aquaglide Aquapark features using the D-Ring Interloc system.

INFO:

DIMS: L 39' x W 16.3' x H 20.6'
(L 12,0m x W 5,0m x H 6,3m)

CAPACITY:
12 Adult or 12 Child

MINIMUM WATER DEPTH: 13.5ft (4,1m)

ITEM #: 585219625

FREEFALL SUPREME

FREEFALL SUPREME

As one of the most popular pieces in the Aquaglide commercial line, the Freefall Supreme creates a visual spectacle. At over 16 feet high, the Freefall Supreme features a zero-entry slide that enables multiple users at once, two climbing lines, and a sizeable interior play structure for bouncing, climbing, swinging, and hanging out. Use the Freefall Supreme as a standalone focal point, or connect it to other Aquaglide Aquapark features using the D-Ring Interloc system.

INFO:

DIMS: L 25.6' x W 12.4' x H 16.6'
(L 8,0m x W 3,8m x H 5,1m)

CAPACITY:
12 Adult or 12 Child

MINIMUM WATER DEPTH: 11ft (3,34m)

ITEM #: 585219626

SUMMIT EXPRESS

Slightly shorter than the Freefall Supreme and not quite as long as the Everest, the Summit Express still provides plenty of opportunity for play. It features a zero-entry slide that enables multiple users at once and a sizeable cave below the slide for playing, bouncing, swinging, and resting. The Summit Express can be used as a standalone focal point feature or connected to other Aquaglide Aquapark features using the D-Ring Interloc system.

INFO:

DIMS: L 30' x W 9' x H 16.4'
(L 9,0m x W 2,7m x H 5,0m)

CAPACITY:
12 Adult or 12 Child

MINIMUM WATER DEPTH: 11ft (3,34m)

ITEM #: 585219627

ESCALADE SUMMIT

At well over 16-feet tall, the Escalade Summit climbing wall presents a Deep Water Solo climbing style adrenaline rush that is not for the faint-of-heart. Reinforced handles and oversized footsteps lead from water level to the summit while integrated guard-buoys help protect the landing zone. This commanding piece connects exclusively to the Aquaglide Summit Express.

INFO:

DIMS: L 6.9' x W 5' x H 12'
(L 2,1m x W 1,4m x H 3,7m)

CAPACITY:
1 Adult or 1 Child

MINIMUM WATER DEPTH: 9ft (2,74m)

ITEM #: 585215113

JUNGLE JOE 2

Versatility is the name of the game with the Jungle Joe 2 feature. The pyramidal walls provide a climbing challenge for users of all ages. With multi-level terraces for exploration, zero-entry slide, and an engaging interior splash zone with soaker mesh floor, the Jungle Joe 2 has a little bit of everything. Use the Jungle Joe 2 as a standalone focal point, or connect it to other Aquaglide Aquapark features using the D-Ring Interloc system.

INFO:

DIMS: L 21.6' x W 18' x H 12'
(L 6,6m x W 5,5m x H 3,8m)

CAPACITY:
10 Adult or 10 Child

MINIMUM WATER DEPTH: 9ft (2,78m)

ITEM #: 585219629

FREEFALL EXTREME

Designed to pack excitement into an easily manageable package, the Freefall Extreme features a 10-foot high zero-entry slide that enables multiple users at once and a sizeable cave splash zone below the slide for playing, bouncing, and resting. The Freefall Extreme can be used as a standalone focal point feature or connected to other Aquaglide Aquapark features using the D-Ring Interloc system.

INFO:

DIMS: L 21' x W 9' x H 9.6'
(L 6,4m x W 2,7m x H 3,0m)

CAPACITY:
5 Adult or 8 Child

MINIMUM WATER DEPTH: 8ft (2,44m)

ITEM #: 585219628

KING OF THE MOUNTAIN

King of the Mountain is a challenging structure with climbing walls located on multiple sides. Users can race to the top of the semi-pyramidal structure using handholds or rope, then jump or descend using the attached slide. The King of the Mountain can be used as a standalone feature or connected to other Aquaglide Aquapark features on three sides using the D-Ring Interloc system.

INFO:

DIMS: L 14' x W 9' x H 6.6'
(L 4,0m x W 2,7m x H 2,0m)

CAPACITY:
4 Adult or 4 Child

MINIMUM WATER DEPTH: 8ft (2,44m)

ITEM #: 585219620

FREEFALL 6

The Freefall 6 is an exhilarating zero-entry slide that enables multiple users at once that can be connected to other Aquaglide Aquapark features using the D-Ring Interloc system, or use as a standalone feature by adding a Swimstep, or from a pool edge with a Freefall 6 Landing Pad. When combined with a Swimstep or Landing Pad, installation possibilities for the Freefall 6 become endless.

INFO:

DIMS: L 13' x W 8' x H 6'
(L 4,1m x W 2,4m x H 1,8m)

CAPACITY:
3 Adult or 3 Child

MINIMUM WATER DEPTH: 6ft (1,82m)

ITEM #: 585211106

FREEFALL 6 LANDING PAD

The Freefall 6 Landing Pad straps into the Freefall 6 slide and provides an additional platform for easy boarding before sliding down a Freefall 6 Slide.

INFO:

DIMS: L 12' x W 8'3" x H 1'
(L 3,7m x W 2,5m x H 0,30m)

CAPACITY:
1 Adult or 1 Child

MINIMUM WATER DEPTH: 0-6ft (0-1,83m)

ITEM #: 585218676

ZULU

The Zulu slide features a five-foot-high ladder-style climbing wall and an exhilarating zero-entry slide that makes it an exciting end to any challenge course. The Zulu can accommodate two participants and connect on one side using the Aquaglide D-ring Interloc System with Vario Lock straps. When combined with a Swimstep or Landing Pad, installation possibilities for the Zulu slide are endless.

INFO:

DIMS: L 10.8' x W 6.5' x H 5.3'
(L 3,3m x W 2,0m x H 1,6m)

CAPACITY:
1 Adult or 2 Child

MINIMUM WATER DEPTH: 5.3ft (1,73m)

ITEM #: 585213160

JUNGLE JIM

The Jungle Jim is a stable pyramid structure that features multiple options for climbing, sliding, jumping, and more. The climbing walls on this feature angle inward for convenience and stability, while an interior splash zone with soaker mesh floor provides secondary play options and a place to rest. Use the Jungle Jim as a standalone focal point, or connect it to other Aquaglide Aquapark features using the D-Ring Interloc system.

INFO:

DIMS: L 9.4' x W 9' x H 6.8'
(L 3,0m x W 2,7m x H 2,1m)

CAPACITY:
4 Adult or 4 Child

MINIMUM WATER DEPTH: 6.4ft (1,94m)

ITEM #: 585219630

SKYROCKET

The Skyrocket provides an exciting way for users to swing or launch themselves over the water. With an integrated swim platform and lounging area inside, the Skyrocket is a massive swing that launches users into a new dimension of water play for hours of high-flying fun. Climbing handles on the inside and outside make it easy to board from the water and climb onto the swing position. The Skyrocket works as a standalone feature or with any Aquaglide Aquapark configuration connected using the D-Ring Interloc system.

INFO:

DIMS: L 26.3' x W 26.3' x H 26.3'
(L 8,0m x W 8,0m x H 8,0m)

CAPACITY:

6 Adult or 6 Child
Swing Seat: 1 Adult or 1 Child

MINIMUM WATER DEPTH: 12ft (3,66m)

ITEM #: 585219664

CATAPULT

AquaGlide

CATAPULT

The Catapult sends users swinging or launching themselves over the water. The Catapult presents a more approachable trapeze-style swinging experience than its larger counterpart, the Skyrocket. An integrated swim platform and molded climbing steps on the inside and outside make it easy to board from the water and climb onto the swing position. Use the Catapult as a standalone feature or connect to any Aquaglide Aquapark configuration using the D-Ring Interloc system.

INFO:

DIMS: L 16' x W 13' x H 15'
(L 4,8m x W 4,0m x H 4,6m)

CAPACITY:
1 Adult or 1 Child

MINIMUM WATER DEPTH: 8ft (2,44m)

ITEM #: 585219665

KAOS

KAOS

With its unique inflatable dome, the Kaos provides a flexible space for users of all ages to climb, bounce, slide, splash, or lounge, and makes a great alternative to a conventional trampoline. Use the Kaos as a standalone feature, or connect it to other Aquaglide Aquapark features on all eight sides using the D-Ring Interloc system.

INFO:

DIMS: L 25' x W 25' x H 4'
(L 7,6m x W 7,6m x H 1,2m)

CAPACITY:
5 Adult or 5 Child

MINIMUM WATER DEPTH: 7.4ft (2,26m)

ITEM #: 585219660

Aquaglide
PLATINUM

Aquaglide
PLATINUM

THUNDERDOME

The Thunderdome is a massive, versatile arena structure that can quickly become the centerpiece of any Aquaglide Aquapark. With 32 climbing handles, the Thunderdome can be used as an arena as well as a climbing mountain, and features eight radiused slides, nine mesh crow's nest seats, and an interior lower splash zone. The Thunderdome can be used as a standalone feature or connected to other Aquaglide Aquapark features on all eight sides using the D-Ring Interloc system.

INFO:

DIMS: L 15' x W 15' x H 7.5'
(L 4,5m x W 4,5m x H 2,3m)

CAPACITY:
12 Adult or 12 Child

MINIMUM WATER DEPTH: 8ft (2,44m)

ITEM #: 585219661

FOXTROT

Whether users race to the other side, hold jousting matches or see who can stay on the longest, the Foxtrot adds a fun and challenging balance beam to any Aquapark configuration. Designed as an approachable feature for all skill levels, the Foxtrot tests balance, strength, and concentration. Connect the Foxtrot on two sides using the integrated D-Ring Interloc system to any Aquaglide Aquapark layout.

INFO:

DIMS: L 20' x W 6.5' x H 1.5'
(L 6,1m x W 2,0m x H 0,5m)

CAPACITY:
4 Adult or 4 Child

MINIMUM WATER DEPTH: 4ft (1,21m)

ITEM #: 585219668

TRIAD

The Triad was created to provide three times the fun as our single balance beams, the Foxtrot and the i-Beam. Users can challenge themselves to walk three long and narrow beams to test balance, strength, and concentration. Three identical beams mean multiple users can race to the center, hold jousting matches with friends, or see who stays on the longest. Use the Triad as a standalone feature or connect to any Aquaglide Aquapark configuration using the D-Ring Interloc system.

INFO:

DIMS: L 30' x W 30' x H 1.5'
(L 9,2m x W 9,2m x H 0,5m)

CAPACITY:
6 Adult or 6 Child

MINIMUM WATER DEPTH: 4ft (1,21m)

ITEM #: 585219681

CYCLONE ENCLOSURE

The Cyclone Enclosure enables the Cyclone Wheel to integrate easily into any aquapark. Featuring six ports for users to exit the Cyclone Wheel, the Cyclone Enclosure also doubles as a balance beam challenge for users waiting for their turn on the wheel.

INFO:

DIMS: L 20' x W 15' x H 8.5'
(L 6,0m x W 4,6m x H 1,6m)

CAPACITY:
2 Adult or 2 Child

MINIMUM WATER DEPTH: 4.9ft (1,5m)

ITEM #: 585220104

CYCLONE WHEEL

The Cyclone Wheel's unique mesh design allows the wheel to act as a super soaker by cooling users as the wheel rotates. The Cyclone's inner mesh helps with rotation, while the free-floating feature allows for ultimate spinning in a human-sized version of a mouse wheel. Use as a standalone item or integrate into any aquapark with Cyclone Enclosure.

INFO:

DIMS: L 8' x W 8' x H 8.5'
(L 2,4m x W 2,4m x H 2,6m)

CAPACITY:
4 Adult or 4 Child

MINIMUM WATER DEPTH: 4.9ft (1,5m)

ITEM #: 585220103

I-HOP

Created to challenge users to hop, jump, or crawl across, the I-Hop is a balance testing feature that challenges even the most skilled park visitors. Featuring non-slip surfaces on all jump surfaces, the I-Hop creates an American Ninja Warrior-like structure that's a popular feature with a broad spectrum of users. Connect the I-Hop to any Aquaglide Aquapark configuration on two sides using the integrated D-Ring Interloc system.

INFO:

DIMS: L 20' x W 10' x H 3.3'
(L 6,1m x W 3,1m x H 1,0m)

CAPACITY:
4 Adult or 4 Child

MINIMUM WATER DEPTH: 4.6ft (1,41m)

ITEM #: 585220102

I-BEAM

Designed as an approachable feature open to all skill levels, the I-Beam tests balance, strength, and concentration. Whether users race to the other side, hold jousting matches or see who can stay on the longest, the I-Beam offers the fun of a balance beam in a more forgiving setting. Connect the I-Beam to any Aquaglide Aquapark configuration on two sides using the integrated D-Ring Interloc system.

INFO:

DIMS: L 20' x W 10' x H 1.6'
(L 6,1m x W 3,1m x H 0,5m)

CAPACITY:
4 Adult or 4 Child

MINIMUM WATER DEPTH: 3.8ft (1,16m)

ITEM #: 585220101

MONKEY DOME

MONKEY DOME

The Monkey Dome is a fun feature that challenges users to swing or climb their way across without falling. However, unlike monkey bars on land, the Monkey Dome is much more forgiving because when a user falls, they land in the water. The Monkey Dome's sides also provide a way to transfer to other Aquapark features by providing two Neptune-style structures where users hold on and balance from beam to beam as they traverse the structure. With three options to cross, the Monkey Dome can be used as a standalone feature or connected to other Aquaglide Aquapark features using the D-Ring Interloc system.

INFO:

DIMS: L 20' x W 10' x H 10.9'
(L 6,1m x W 3,1m x H 3,3m)

CAPACITY:
6 Adult or 6 Child

MINIMUM WATER DEPTH: 8.5ft (2,58m)

ITEM #: 585219662

Aquaglide
PLATINUM

NEPTUNE

The Neptune is named after the god of water and pushes users to traverse to the feature as fast as they can. Users race themselves or other opponents to see who's fastest by using their arms to hold and balance from beam to beam. The Neptune works as a standalone feature or with any Aquaglide Aquapark configuration connected using the D-Ring Interloc system.

INFO:

DIMS: L 20' x W 8.2' x H 9.8'
(L 6,1m x W 2,5m x H 3,0m)

CAPACITY:
4 Adult or 4 Child

MINIMUM WATER DEPTH: 7.9ft (2,41m)

ITEM #: 585219663

PARKWAY 30

The Parkway 30 provides a fun and challenging undulating surface for users to attempt to run, walk, or slide across on their stomachs. Like a bicycle pump track design, the Parkway 30 makes transferring to other aquapark features an exciting and slippery challenge. Connect the Parkway 30 to any Aquaglide Aquapark configuration on all four sides using the integrated D-Ring Interloc system. The Parkway is available in three sizes, the Parkway 30, the Parkway 20, and the Parkway 10.

INFO:

DIMS: L 30' x W 6.5' x H 3.7'
(L 9,1m x W 2,0m x H 1,1m)

CAPACITY:
6 Adult or 6 Child

MINIMUM WATER DEPTH: 4.8ft (1,47m)

ITEM #: 585219111

PARKWAY 20

The Parkway 20 provides a fun and challenging undulating surface for users to attempt to run, walk, or slide across on their stomachs. Like a bicycle pump track design, the Parkway 20 makes transferring to other aquapark features an exciting and slippery challenge. Connect the Parkway 20 to any Aquaglide Aquapark configuration on all four sides using the integrated D-Ring Interloc system. The Parkway is available in three sizes, the Parkway 30, the Parkway 20, and the Parkway 10.

INFO:

DIMS: L 20' x W 6.5' x H 3.5'
(L 6,1m x W 2,0m x H 1,1m)

CAPACITY:
6 Adult or 6 Child

MINIMUM WATER DEPTH: 4.7ft (1,44m)

ITEM #: 585219101

PARKWAY 10

The Parkway 10 provides a fun and challenging surface for users to run, walk or slide across on their stomachs. Modeled after a bicycle pump track, the Parkway 10 makes transferring to other aquapark features an exciting and slippery challenge. Connect the Parkway 10 to any Aquaglide Aquapark configuration on all four sides using the integrated D-Ring Interloc system. The Parkway is available in three sizes, the Parkway 30, the Parkway 20, and the Parkway 10.

INFO:

DIMS: L 10' x W 6.5' x H 2.4'
(L 3,0m x W 2,0m x H 0,7m)

CAPACITY:
2 Adult or 2 Child

MINIMUM WATER DEPTH: 4.2ft (1,27m)

ITEM #: 585219104

Aquaglide

BARRICADE 10

The Barricade 10 has a smaller footprint than its larger sibling, Blockade 20, yet still packs plenty of challenges and fun into an on-the-water obstacle course designed to test agility. Users can challenge one another to run, dip, duck, and dive their way across to see who's fastest to the other side. Connect the Barricade 10 to any Aquaglide Aquapark configuration on all four sides using the integrated D-Ring Interloc system.

INFO:

DIMS: L 10' x W 6.5' x H 5'
(L 3,0m x W 2,0m x H 1,5m)

CAPACITY:
4 Adult or 4 Child

MINIMUM WATER DEPTH: 5.5ft (1,67m)

ITEM #: 585219102

BLOCKADE 20

The Blockade 20 is an on-the-water obstacle course designed to test agility by challenging users to run, dip, duck, and dive their way across. Users can challenge others to a race across this 20-foot feature to see who's fastest to the other side. Connect the Blockade 20 to any Aquaglide Aquapark configuration on all four sides using the integrated D-Ring Interloc system.

INFO:

DIMS: L 20' x W 6.5' x H 5'
(L 6,1m x W 2,0m x H 1,5m)

CAPACITY:
5 Adult or 5 Child

MINIMUM WATER DEPTH: 5.5ft (1,67m)

ITEM #: 585219101

SIERRA 10

The Sierra 10 feature presents an exciting challenge that allows users to climb, balance, slide, or jump from the exterior structure, or play and rest on the two interior mesh floor splash zones. For those who choose to hang out in the interior splash zones, mesh floors provide a cool place for up to four users to rest, relax, or play. Connect the Sierra 10 to other Aquaglide Aquapark features using the integrated secure D-Ring Interloc system.

INFO:

DIMS: L 10' x W 8' x H 3.5'
(L 3,0m x W 2,4m x H 1,1m)

CAPACITY:
4 Adult or 4 Child

MINIMUM WATER DEPTH: 4.7ft (1,44m)

ITEM #: 585219670

VISTA 10

The Vista 10 provides countless ways to traverse this challenging structure: climb over the high roads or explore the inner passages, or for those who choose to linger, an interior splash zone with mesh floors provides a cool place for up to four users to rest, relax, or play. The Vista 10 connects to other Aquaglide Aquapark features using the secure D-Ring Interloc system.

INFO:

DIMS: L 10' x W 6.5' x H 5'
(L 3,0m x W 2,0m x H 1,5m)

CAPACITY:
4 Adult or 4 Child

MINIMUM WATER DEPTH: 5.3ft (1,64m)

ITEM #: 585219669

AND SO MAY RESULT IN SERIOUS INJURY

Aquaglide

Aquaglide

SUBWAY 10

The Subway 10 features multiple paths when transferring to other Aquapark features, including an arched climbing wall above a covered tunnel. Designed to integrate into any Aquaglide Aquapark Series using the secure D-Ring Interloc system, the Subway 10 is quite possibly the most fun users will ever have on the Subway.

INFO:

DIMS: L 10' x W 6' x H 5.8'
(L 3,0m x W 1,8m x H 1,7m)

CAPACITY:
1 Adult or 1 Child

MINIMUM WATER DEPTH: 5.9ft (1,80m)

ITEM #: 585219106

OVERPASS 10

Ideal for challenge tracks in a pool or open water, the Overpass 10 offers a fun climbing challenge with an optional balancing route for less daring users. The Overpass 10's arched climbing wall challenges users to take the high route across and includes integrated mesh crow's nest seats for a comfortable place to rest en route. The Overpass 10 integrates into any Aquaglide Aquapark Series using the secure D-Ring Interloc system.

INFO:

DIMS: L 10' x W 8' x H 5'
(L 3,0m x W 2,5m x H 1,5m)

CAPACITY:
2 Adult or 2 Child

MINIMUM WATER DEPTH: 5.5ft (1,67m)

ITEM #: 585219103

DELTA 10

The Delta 10 features a horizontal ladder-style balancing challenge that includes two interior splash zones that serve as a natural gathering place in hot weather. Connect the Sierra 10 to other Aquaglide Aquapark features using the integrated secure D-Ring Interloc system.

INFO:

DIMS: L 10' x W 6.75' x H 1.5'
(L 3,1m x W 2,1m x H 0,5m)

CAPACITY:
4 Adult or 4 Child

MINIMUM WATER DEPTH: 4ft (1,21m)

ITEM #: 585219671

TANGO

One of the most versatile pieces in the Aquaglide Aquapark range, the Tango is a bounce platform that works inline, as a corner, or as an X-junction between two perpendicular tracks. It can connect on all four sides using our secure and easy-to-use D-ring Interloc System end.

INFO:

DIMS: L 6.6' x W 6.6' x H 1.5'
(L 2,0m x W 2,0m x H 0,5m)

CAPACITY:
2 Adult or 3 Child

MINIMUM WATER DEPTH: 4ft (1,21m)

ITEM #: 585213140

UNIVERSAL THUNDERDOME

UNIVERSAL THUNDERDOME

The Universal Thunderdome is an octagon-shaped structure that's a smaller version of the popular Thunderdome. Offering multiple angles and unlimited Aquapark configuration possibilities, the Universal Thunderdome can be used as a hub, a corner, or anything in between. Park layouts can be changed easily and quickly and allow your aquapark to evolve. Add new and exciting components or Speedway and Swimstep connections on all eight sides using the integrated D-ring Interloc System and secure Vario Lock cinch straps.

INFO:

DIMS: L 12.5' x W 12.5' x H 4.6'
(L 3,8m x W 3,8m x H 1,4m)

UNIVERSAL

Aquaglide

UNIVERSAL CONNECTION

The Universal Connection is Aquaglide's unique connection system that allows unlimited Aquapark designs and variations. The Universal's octagon shape allows Speedway and Swimstep connections to connect to all eight sides at once, offering multiple angles and unlimited possibilities. The Universal can be used as a hub or corner and allows park owners to evolve their park layout over time. The Universal connects to any Aquaglide Aquapark Series configuration using the integrated D-ring Interloc System and secure Vario Lock cinch straps.

INFO:

DIMS: L 12.5' x W 12.5' x H 1'
(L 3,8m x W 3,8m x H 0,3m)

CAPACITY:

LANDING PAD 4M

LANDING PAD 4M

Made from our extremely durable Duratex and drop-stitch materials, the Landing Pad 4M is built to last and can be used as a standalone item or connected to any Aquaglide Aquapark configuration using the integrated D-Ring Interloc system on all four sides. The Landing Pad can also be attached to our Docking Station and Ocean Pool products to help create the ultimate floating island.

INFO:

DIMS: L 13' x W 13' x H 0.49'
(L 4,0m x W 4,0m x H 0,15m)

CAPACITY:
10 Adult or 10 Child

MINIMUM WATER DEPTH: 4ft (1,21m)

ITEM #: 585215002

EVENT TENT

The Event Tent provides ample shade and lounge space for Aquapark users, lifeguards, and staff. Rugged Duratex construction with a heavy-duty tent shade stands up to the elements and connects on eight sides using Vario straps. Use as a stand-alone feature or combine with the Landing Pad 4M to fit into any Aquaglide Aquapark layout as a universal hub. Multiple stainless D-rings provide secure anchor points in high winds or attach the Event Tent to a Landing Pad for a floating shaded oasis.

INFO:

26

BENDBACK

Perfectly angled for maximum G-forces, the Bendback is a bermed corner designed to work with any Aquaglide Aquapark Series or Pool Challenge Track configuration. Users can make a run for it by hitting this angled corner at speed when transferring to other features. The Bendback connects to any Aquapark configuration using the integrated D-ring Interloc System on both ends.

INFO:

DIMS: L 15' x W 7' x H 1.2'
(L 4,6m x W 2,2m x 0,4m)

CAPACITY:
2 Adult or 2 Child

MINIMUM WATER DEPTH: 4ft (1,21m)

ITEM #: 585219110

KICKBACK

The Kickback is a ladder-bridge corner that brings a unique challenge to any Ring or Circuit layout. While nicely bermed for cornering at speed, the Kickback requires extra care and strategy to navigate successfully. The Kickback connects on both ends to Ring or Circuit Series layouts using the integrated D-Ring Interloc system combined with our secure Vario Lock cinch strap system.

INFO:

DIMS: L 15' x W 7' x H 2.5'
(L 4,6m x 2,2m x 0,8m)

CAPACITY:
2 Adult or 2 Child

MINIMUM WATER DEPTH: 4ft (1,21m)

ITEM #: 585219112

WALKBACK

WALKBACK

A perfect corner for any Aquaglide challenge track or Ring Series layout, the Walkback adds a degree of difficulty to any pathway by incorporating fanned out steps into a single 90-degree turn. The Walkback connects to any Ring Series aquapark using the D-ring Interloc System on both ends.

INFO:

DIMS: L 15' x W 7' x H 0.3'
(L 4,6m x 2,1m x 0,1m)

CAPACITY:
2 Adult or 2 Child

MINIMUM WATER DEPTH: 4ft (1,21m)

ITEM #: 585219107

WALK ON WATER

WALK ON WATER

The Walk on Water is designed for higher traffic Aquaparks and those installed in extreme climates or closer to the Equator. Featuring our class-leading 10 cm Double-layer drop-stitch construction, the Walk on Water is an exciting alternative to the Speedway 20. It is a fun and challenging way to connect Aquapark features. Use as a standalone item or connect to any Aquaglide Aquapark using the integrated D-ring Interloc System.

INFO:

DIMS: L 20' x W 5' x H 0.3'

ITEM #: 585219638

REBOUND 20

The eight-sided design of the Rebound 20 offers excellent trampoline-like bounce that is easier to set-up and maintain compared to trampolines with metal frames and springs. Made of RF welded Duratex and #316 stainless steel welded ring plates, this product comes complete with a Swimstep access platform and heavy duty molded boarding and transport handles. The Rebound 20 is an excellent alternative to a trampoline.

AQUATRAINER MAT

The AquaTrainer Mat provides a fun and dynamic way to exercise on the water. Its unique design allows for physical aquatic therapy, boot camp-type workouts, aquatic yoga, and pilates. The ability to be used in both pools and open water makes it a best-in-class floating training platform that elevates anyone's training to the next level. The lightweight and durable design of the AquaTrainer provides maximum stability and makes it easy to carry and set up due to its small footprint. Utilizing commercial-grade materials and drop-stitch construction provides years of worry-free use.

YACHT AND ACCESSORIES

FREEFALL YACHT SLIDE

Infinite possibilities. As an aquapark supplier to some of the most prestigious resorts in the world, we are uniquely qualified to build custom slides for the world's most prestigious yachts. Each slide is custom designed and specifically tailored to meet the needs of the most discerning yacht owners.

Our custom design department works to provide design options that are unparalleled in the industry. We are seeing a growing demand for more versatile products that live on the stern of the boat. We can design and deliver any custom product to any part of the world.

INFO:

DIMS: Custom sizing available

CAPACITY:
1 Adult or 1 Child

DOCKING STATION

Constructed for outstanding performance and durability, the Docking Station can be used as a standalone item or connected to the Ocean Pool or Landing Pad. It's ideal setting is off of a dock or as an outboard docking platform on a yacht or seagoing vessel. Park water toys with ease with the Aquaglide Docking Station.

PARK VEST

Aquaglide park vests are designed to keep any aquapark user safe while enjoying their session.

The red and blue colors are bright enough to be seen from a distance and are color coded by size for easy sorting.

Our vests cover a wide range of sizes starting at Child, Youth, XS, S-M, L-XL and extending to 2XL-4XL. Both colors are available in CS or US/CDN approval.

PUMPS

Tornado 110v 2.5 Pump - A smaller version of the Hurricane pump, the Tornado 110v 2.5 is ideally suited for kayaks and small residential aquaparks. Maximum 2.5psi (0,17bar). Air flow 56cfm (1600L/min). Includes 4ft (1,25m) of 25mm hose with HR, Boston and Stem fittings.

Hurricane 110v 3.6 Pump - Quickly inflates kayaks, residential aquaparks and small commercial parks. Maximum 3.6psi (0,25 bar). Air flow 70cfm (2000L/min). Includes 4ft (1,25m) of 40mm hose with HR, Boston and Stem fittings.

12v Turbo 2.3 Pump - The 12v Turbo is an extremely powerful pump for 12 volt battery. Ideal for low-pressure kayaks and general use, this pump is high volume @ low pressure. Inflate/ deflate, 2.3 psi (0,16 bar) maximum. 12v alligator clip attachment only. 9ft (2,74m) cable. Air flow 35cfm (990L/min). 3.2ft (1m) hose with Stem, Boston, Rapid Inflate, Fish Eye, and HR adaptors.

Accelerator HP 12v 20 Pump - Ideally suited for modern SUPs and kayaks with high pressure dropstitch. This two-stage, digital pump makes quick work of inflating SUPs up to 20psi (1,37bar) with auto shut-off. Air flow 350L/min (stage 1), 70L/min (stage 2). Uses either 12v outlet or clip attachment. Includes 4ft (1,25m) hose with HR, Boston valve and stem fittings.

Aquapark 110v 7.3 Pump - High capacity pump for commercial aquapark. Twin motors provide additional capacity and max pressure of 7.3psi, ideal for dropstitch connectors. Air flow 1200L/min (stage 1) and 2000L/min (stage 2). Includes 4ft (1,25m) of 40mm hose with HR and Boston fittings.

Extension Hose for Aquapark Pump - This is a 33ft (10,0m) 40mm hose extension for the Aquapark Pump (110v or 230v) 7.3. Allows commercial park operators or residential customers to easily top off aquapark items while keeping A/C electrical pumps away from the water. Can also be used with Hurricane (110v or 230v) 3.6 pumps. Includes threaded attachments at both ends, HR and Boston fittings.

MOORING

Vertical Mooring Line

One complete heavy duty mooring line for 4 foot (1,22m) water depth. 3000lb (1360kg) break strength, all components #316 Stainless steel. Easily add optional rope extensions to reach desired water depth - no knots required! Includes 1pc heavy duty bungie, 1pc #316 SS quick link, 1pc 1-foot mooring rope, 1pc line float and 1pc #316 SS snap hook.

1-Foot Mooring Rope

1 foot (31cm) mooring rope extension. 4000lb PE rope eye spliced at both ends for easy attachment. Set of 10pc.

5-Foot Mooring Rope

5-foot (152cm) mooring rope extension. 4000lb PE rope eye spliced at both ends for easy attachment. Set of 10pc.

Complete Mooring Line, 19ft (5,79m)

One complete heavy duty mooring line for up to 19 foot (5,79m) water depth. Easily adjusts to required depth - no knots required! 3000lb (1360kg) break strength, all components #316 Stainless steel. Includes 1 heavy duty bungies, 1pc #316 SS quick link, 6pc 1-foot mooring ropes, 2pc 5-foot mooring ropes 1pc line float and 1pc #316 SS snap hook.

Horizontal Mooring Line, Pair

- Two complete heavy duty mooring lines for horizontal (pool) mooring. 10 foot (3,04m) length. 3000lb (1360kg) break strength, all components #316 Stainless steel. Easily add optional rope extensions if necessary - no knots required! Includes 2pc heavy duty bungies, 2pc #316 SS quick link, 2pc 1-foot mooring ropes, 2pc line floats and 2pc #316 SS snap hooks.
