

FLIFT01

Arkon Forklift Overhead Guard Mounting Plate Retail Black

DESCRIPTION:

FLIFT01 is designed for mounting and securing tablets, barcode scanners, radios, or other devices to a forklift, pallet jack, or other warehouse vehicle. Consisting of two steel plates with black powdercoat finish and accompanying mounting hardware, FLIFT01 is made with heavy gauge steel construction to last in tough environments, such as construction sites, factories, and warehouses. Each steel plate weighs just over 3 pounds and measures 10" x 7" x 1/8". Multiple size holes (4.9mm, 5.7mm, and 8.5mm) as well as hole patterns are pre-drilled into the plate, including 4-Hole AMPS, VESA 75, VESA 100, and Gamber-Johnson 2" x 4.09" for mounting multiple types of devices. Installation is quick and easy with no drilling required.

FEATURES:

- Use forklift mount to attach devices on top of forklift overhead guard
- Attach tablets, radios and other devices
- Weighs 3 pounds and includes multiple size holes
- Features 4-Hole AMPS, VESA 75, VESA 100 hole patterns
- 2 year limited warranty
