

FLIFT02

Arkon Forklift Pillar Mount Retail Black

DESCRIPTION:

FLIFT02 is designed for mounting and securing tablets, barcode scanners, radios, or other devices to a forklift, pallet jack, or other warehouse vehicle. Consisting of two steel plates with black powdercoat finish and accompanying mounting hardware, FLIFT02 is made with heavy gauge steel construction to last in tough environments, such as construction sites, factories, and warehouses. Each of the mount's steel plates weighs just under half a pound and measures 4" x 2.75" x 1/8". Holes are pre-drilled into the plates so installation is quick and easy. Devices and device holders are not included. For complete solutions, see Arkon's Forklift Bracket Tablet Mount (Model FLBKTAB01), Forklift Bracket Locking Tablet Mount (Model FLBKTO4), Forklift Bracket Phone Mount (Model FLBKTRV), and Forklift Bracket Phone and Midsize Tablet Mount (Model FLBKTXL).

FEATURES:

- Use forklift mount to attach devices on forklift
- Plates and hardware only; devices and device holders not included
- Each steel plate weighs just under half a pound
- Easy installation with pre-drilled holes
- 2 year limited warranty
