Arkon Windshield Suction Car Mount for iPhone X 8 7 6S Plus 8 7 6S Galaxy Note 8 5 S8 S7
Retail Black

DESCRIPTION:

Arkon's MG220 windshield suction car mount holds smartphones up to 3.6" wide, including iPhone X, iPhone 8 and 8 Plus, iPhone 7 and 7 Plus, iPhone 6S and 6S Plus, iPhone 6 and 6 Plus, , Samsung Galaxy Note 8, Note 5, and Note 4, Galaxy S8, S7, and S6, LG G6, G5, and G4, Nexus 6 and Nexus 5, HTC One M9, One M8, and One Max, Nokia Lumia 1520 and 1020, Motorola Moto G, and Moto X. This mount package includes Arkon's Mobile Grip 2 universal spring-loaded smartphone holder, a windshield suction pedestal with 8.5" flexible gooseneck, and an adhesive disk for optional dashboard mounting. The Mobile Grip 2 holder expands to accommodate all smartphones and smartphones with cases up to 3.6" wide. The holder is just 1.4" high, and is ideal for those who prefer a smaller profile. Its simplistic yet effective design keeps rear smartphone cameras free for spontaneous pictures or videos. The Mobile Grip 2's spring-loaded mechanism makes it easy to insert or remove the cell phone from the holder with one hand, yet holds the smartphone securely. Remove the rubber insert on the side of the Mobile Grip 2 holder to reveal an industry-standard 1/4"-20 threaded camera mounting pattern for use directly on camera tripods, a handy feature that provides additional versatility. The PVC suction mount can be attached to the windshield with the easy-to-use one-touch lever. The windshield mount's swivel ball adapter head rotates 360° and works in conjunction with the 8.5" gooseneck to provide the ultimate flexibility in positioning the phone at any angle.
