

RV179

Arkon RoadVise Car Dash Mount Holder for iPhone X 8 7 6S 6 Plus 7 6S 6 Galaxy S8 S7 Note 8 5
Retail Black

DESCRIPTION:

Arkon's RV179 RoadVise premium iPhone car mount and iPhone car holder is ideal for car dashboards, windshields, and other flat or slightly textured surfaces. The mount fits phones with cases weighing up to 2 pounds and measuring up to 4" wide, including Apple iPhone X, iPhone 8 and 8 Plus, iPhone 7 and 7 Plus, iPhone 6S and 6S Plus and iPhone 6 and 6 Plus, Samsung Galaxy Note 8, Note 5, and Note 4, Galaxy S8, S7, and S6, Google Nexus 6 and Nexus 5, LG G6, G5, and G4, HTC One M9, One M8 and One Max, Nokia Lumia 1020 and 1520, and Motorola Moto G and Moto X. The car cell phone holder's spring-loaded mechanism expands and securely grips phones up to 4" wide. Arkon recommends using the RoadVise Holder with smartphones with skins and ruggedized cases. The car phone holder is designed to use two hands to install and remove your device. This is to make sure your device cannot be accidentally removed while adjusting viewing angle. The low-profile holder keeps rear smartphone cameras free for spontaneous pictures or videos. The holder is easy to install. Just snap it onto the 17mm ball of the pedestal and use the included tightening ring to secure. The car dock's base uses a powerful combination of polyurethane gel and suction to provide a maximum surface bond. In order to prevent permanent indentation marks on soft vinyl, leather, or similar dashboard surfaces, Arkon recommends using the included 3M adhesive mounting disk. While powerfully strong, the sticky suction car mount is also easily removable and reusable. The arm of the suction mount adjusts vertically and provides 360° rotation, providing flexibility in viewing the smartphone from any angle. Garmin GPS devices can also be mounted by simply removing the holder and revealing the 17mm ball mount base. The RV179 is a solid car mount solution that's perfect for your needs.

FEATURES:

- Heavy duty car mount holder fits phones up to 2 pounds and 4 inches wide, including iPhone 8
- Sticky suction car mount is ideal for car windshields and dashboards
- Low profile design keeps rear smartphone cameras unobstructed
