

RV180

Arkon RoadVise Car Mount Holder for iPhone X 8 7 6S Plus iPhone 8 7 6S Galaxy S8 S7 Note 8 5
Retail Black

DESCRIPTION:

Arkon's RV180 RoadVise suction car mount is part of Arkon's Robust Mount Series and fits all smartphones with cases weighing up to 2 pounds and measuring up to 4" wide, including Apple iPhone X, iPhone 8 and 8 Plus, iPhone 7 and 7 Plus, iPhone 6S and 6S Plus, iPhone 6 and 6 Plus, Samsung Galaxy S8, S7, and S6, Galaxy Note 8, Note 5, and Note 4, Google Nexus 6 and Nexus 5, LG G6, G5, and G4, HTC One M9, One M8 and One Max, Nokia Lumia 1020 and 1520, and Motorola Moto G and Moto X. The car mount's solid construction provides strength and reliability on the road by featuring a spring-loaded mechanism that expands to securely grip phones. Arkon recommends using the RoadVise Holder with smartphones with skins and ruggedized cases. The RoadVise is designed to use two hands to install and remove your device. This is to make sure your device cannot be accidentally removed while adjusting viewing angle. The low-profile phone car holder keeps rear smartphone cameras free for spontaneous pictures or videos. The mount easily attaches onto windshields and features an 80mm TPU suction base that works well in all climates. Just snap the holder onto the 17mm ball of the pedestal and use the included tightening ring to secure. The tough, low vibration pedestal measures approximately 6.5 inches high from the base to the top of the pedestal (not including the holder), and is made of a combination of plastic and glass fiber. An optional adhesive mounting disk is included for dashboard mounting. The arm of the pedestal swivels on both the top and the bottom, providing 360-degree rotation and the ultimate flexibility in positioning the smartphone at any angle. The RV180 also functions as a Garmin GPS mount by simply removing the RoadVise holder and revealing the 17mm ball mount base. It's a solid mount solution that's perfect for your needs.

FEATURES:

- Car mount's windshield suction performs well in all climates
- Mount fits iPhone X 8 7 6S Plus iPhone 8 7 6S and other phones up to 2 pounds and 4 inches wide
- Compact design frees up rear smartphone cameras
