

SM410

Arkon Car Phone Holder Mount for iPhone X 8 7 6S Plus 8 7 6S Galaxy Note Retail Black

DESCRIPTION:

Arkon's SM410 is a versatile 3-in-1 car phone mount bundle that includes multiple options for holding smartphones on the windshield, dash, or air vent, along with a high-quality universal phone holder. The Mega Grip car phone holder is best suited for large smartphones having up to 3.25" width with no height restrictions, such as Apple iPhone X, iPhone 8 and 8 Plus, iPhone 7 and 7 Plus, iPhone 6S and 6S Plus, iPhone 6 and 6 Plus, Samsung Galaxy Note 8, Note 5, and Note 4, Galaxy S8, S7, and S6, HTC One M9, One M8, and One Max, Nokia Lumia 1520 and 1020, LG G6, G5, and G4, and Nexus 6. Its unique side-grip technology provides a strong hold that's easy to use. Just set your phone in the holder and close the arms to lock the smartphone in place. A push of the holder's one-touch button releases the phone. The universal design of the holder accommodates even large or ruggedized cases. The holder can be attached to either the included windshield/dash mount or air vent mount. Arkon's Travelmount deluxe windshield suction car mount performs particularly well in hot climates. The arm of the suction mount adjusts vertically and provides 360° rotation, giving you the ultimate flexibility in viewing the smartphone from any angle. To use the car mount on the dash, use the included 3M adhesive dash mounting disk. The adhesive disk replicates the smooth surface of a glass windshield by providing a flat mounting surface for the suction mount. The air vent mount included is one of Arkon's most popular and best-selling smartphone car mount options. The patented air vent mount attaches to your car's horizontal air vent louvers with easy-to-use, and recently upgraded air vent clips. Unfortunately, this solution will not work with circular air vent louvers. First introduced in 2004, and now backed by Arkon's lifetime limited warranty, the SM410 is Arkon's all-time best-selling car phone holder with more than 100,000 units sold worldwide.
