

SM417

Arkon Windshield Dash Phone Car Mount for iPhone 7 6 Plus 7 6 5S Galaxy Note 5 4 S7 S6 Retail Black

DESCRIPTION:

The SM417 robust windshield and dashboard car mount holds smartphones up to 3.25" wide, including iPhone 7 and 7 Plus, iPhone 6S and 6 Plus, iPhone 6S, 6, 5, and 5S, Samsung Galaxy Note 5, Note 4, and Note 3, Galaxy S7, S6, and S5, LG G5, G4, and G3, Nexus 5, HTC One M9, One M8, and One Max, Nokia Lumia 1020, Motorola Moto G, and Moto X. This mount package includes Arkon's Mega Grip push-button universal smartphone holder, a large-sized 80mm windshield suction car mount base with one-touch lever, and a 3M adhesive mounting disk (for optional dashboard mounting). The universal design of the holder accommodates any smartphone having up to 3.25" width with no height restrictions, making it compatible even when used with a large protective case or skin. Moreover, it doesn't block the phone's camera when secured in the holder. The holder's unique side-grip technology provides a strong grip that's easy to use. Just set your phone in the mount and close the arms to lock in place. A one-touch push of the holder's side button releases the phone. The arm of the suction mount adjusts vertically and provides 360° rotation, giving you the ultimate flexibility in viewing the smartphone from any angle. The 5" tall robust suction car mount with Mega Grip holder can also be used as a dashboard mount. It's a 2-in-1 tablet car mounting solution.

FEATURES:

- Spring loaded Mega Grip holder fits phones up to 3.25 inches wide
- Apple iPhone 7 6 Plus 7 6 5 SE and Samsung Galaxy Note 5 4 S7 S6 compatible
- Large sized 80mm diameter suction performs well in hot climates
- 2 year limited warranty
