

SM615

Arkon Windshield Dash Phone Car Mount for iPhone X 8 7 6S Plus 8 7 6S Galaxy S8 Note 8 iPad mini Retail Black

DESCRIPTION:

The SM615 windshield and dashboard car mount holds large smartphones up to 6.75" tall, including iPhone X, iPhone 8 and 8 Plus, iPhone 7 and 7 Plus, iPhone 6S and 6S Plus, iPhone 6 and 6 Plus, Samsung Galaxy Note Edge, Note 8, Note 5, and Note 4, Galaxy S7 edge, S7, S6 edge+, and S6, LG G6, G5, and G4, Nexus 6 and Nexus 5, HTC One M9, One M8, and One Max, Nokia Lumia 1520, 1020, and Motorola Moto G and Moto X. It also holds midsize (7" or 8" screen size) tablets, including the iPad mini, Galaxy Tab S 8.4, Galaxy Note 8.0, Galaxy Tab 3 7.0 and 8.0, Galaxy Tab Pro 8.4, and Google Nexus 7. This mount includes Arkon's Slim-Grip Ultra spring-loaded universal holder, a TraveImount mini windshield suction car mount with one-touch lever, and a 3M adhesive mounting disk (for optional dash mounting). The phone or tablet is held securely in place with the patented spring-loaded holder, but can be inserted or removed from the mount with one hand. The top and bottom adjustable-leg design of the Slim-Grip Ultra helps keep any side buttons and ports unobstructed, making it ideal for use with the side accessible buttons on the Samsung Galaxy S7 edge or Galaxy Note Edge. Included with the holder are 8 support legs (4 short and 4 longer versions) that can be customized based on the size of your device. This mount fits all non-flip smartphones, even those with ruggedized or large protective cases or skins. The TraveImount mini windshield or dash suction car mount features a standard suction mount base made of thermoplastic polyurethane (TPU). This type of suction performs well in hot and especially cold climates. This car mount with Slim-Grip Ultra Holder can also be used as a dash mount. It's a 2-in-1 car mounting solution.
