

SM678

Arkon Phone and Midsize Tablet Windshield Dash Car Mount for Galaxy Note Edge 5 4 S7 S6
Retail Black

DESCRIPTION:

The SM678 sticky suction car mount fits all large smartphones up to 6.75" tall (8" screen size), including iPhone 7 and 7 Plus, iPhone 6S Plus and 6 Plus, iPhone 6S, 6, 5, 5S, 5C, and SE, Samsung Galaxy Note Edge, Note 5, Note 4, and Note 3, Galaxy S7 edge, S7, S6 edge+, S6, S5, and S4, LG G5, G4, and G3, Nexus 6 and Nexus 5, HTC One M9, One M8, and One Max, Nokia Lumia 1520 and 1020, Motorola Moto G and Moto X. It also holds midsize (7" or 8" screen size) tablets, including iPad mini, Galaxy Tab S 8.4, Galaxy Note 8.0, Galaxy Tab 4 and 3 7.0 and 8.0, Galaxy Tab Pro 8.4, Kindle Fire HD, and Google Nexus 7. This mount includes Arkon's Slim-Grip Ultra patented spring-loaded universal holder and a Sticky Suction 80mm Windshield or Dash Mounting Pedestal with one-touch lever. The mount is ideal for car dashboards, windshields, and other flat or slightly textured surfaces. The sticky suction base uses a powerful combination of polyurethane gel and suction to provide a maximum surface bond. The included 3M adhesive mounting disk prevents permanent indentation marks on soft vinyl, leather, or similar dash surfaces. The sticky suction mount is also easily removable and reusable. If it has a drop in suction, just wash the pad with a mild liquid soap and warm water, then air dry to restore the suction. The Slim-Grip Ultra spring-loaded holder makes it easy to insert or remove the smartphone or tablet from the mount with one hand, yet it holds the device securely. The top and bottom adjustable-leg design of the Slim-Grip Ultra helps keep any side buttons and ports unobstructed, making it ideal for use with the side accessible buttons on the Samsung Galaxy S7 edge and Note Edge. Included with the holder are 8 support legs (4 short and 4 longer versions) that can be customized based on device size. The best mount configuration for most devices is to attach 2 short support legs on top and the 2 long support legs on the bottom of the holder.

FEATURES:

- Sticky suction mount base bonds to flat and slightly textured surfaces
- Patented holder (US Patent D750,060) fits devices up to 8 inch screen size
- Windshield or dash mount arm adjusts vertically and provides 360 degree rotation
- 2 year limited warranty
