

SM6HM3

Arkon Phone and Midsize Tablet Car Headrest Mount for iPad mini iPhone X 8 7 6S Plus iPhone 8 7 Retail Black

DESCRIPTION:

SM6HM3 is a universal smartphone and midsize tablet car seat headrest mount that easily attaches to your car or truck's front or back seat headrest posts. This mount is compatible with phones up to 6.75" tall (8" screen size), including iPhone X, iPhone 8 and 8 Plus, iPhone 7 and 7 Plus, iPhone 6S and 6S Plus, iPhone 6 and 6 Plus, Samsung Galaxy Note Edge, Note 8, Note 5, and Note 4, Galaxy S8, S7 edge, S7, S6 edge+, and S6, LG G6, G5, and G4, Nexus 6 and Nexus 5, HTC One M9, One M8, and One Max, Nokia Lumia 1520 and 1020, Motorola Moto G and Moto X. Popular midsize (7" or 8" screen size) tablets include the iPad mini, Galaxy Tab S 8.4, Galaxy Note 8.0, Galaxy Tab 3 7.0 and 8.0, Galaxy Tab Pro 8.4, and Google Nexus 7. This headrest mount is ideal for multiple passengers who want to view a phone or tablet in the center of the back seat. It features an adjustable-length rigid extension arm that attaches to the 2-post headrest on either the front or back seats. The arm extends 15 inches to 24 inches. This mount includes Arkon's Slim-Grip Ultra Universal Smartphone and Midsize Tablet Holder and the 2-post car seat headrest mount. The smartphone or midsize tablet is held securely in place with the patented spring-loaded holder, and can be inserted or removed from the mount with one hand. Included with the holder are 8 support legs (4 short and 4 longer versions) that can be customized based on device size. The top and bottom adjustable-leg design of the holder helps keep any side buttons and ports unobstructed, making it ideal for use with the side-accessible buttons on the Samsung Galaxy S6 edge+ or Note Edge. For most devices, the best mount holder configuration is to attach 2 short support legs on top and the 2 long support legs on the bottom of the holder. For larger devices, use all 4 long support legs on the holder. For smaller devices, use all 4 short support legs on the holder.

FEATURES:

- For viewing a phone or midsize tablet in the center of the back seat
- Patented holder (US Patent D750,060) fits devices up to 8 inch screen size
- Compatible with most 2 post style headrests
