

SPL29SBH

TW Broadcaster Live Streaming Extension Kit with 29 inch Pole and Dual-T Head

DESCRIPTION:

Arkon's TW Broadcaster Extension Kit is the perfect accessory for any of the TW Broadcaster dual device desk or countertop stands, including Models TWBHD82MAG and TWBHD8RV2 for dual phone streaming, TWBHD8SM6 for dual midsize tablet and phone streaming, TWBHD8TAB for tablet and phone streaming, and TWBRVGP for GoPro and phone streaming. This extension kit includes an extra-long pole that extends from 17 to 29 inches. Replace your stand's current pole to give you additional height and flexibility for dual live streaming. The pole includes a Dual-T head that makes it easy to re-attach your dual broadcasting setup. Stands and holders not included.

FEATURES:

- Upgrade your TW Broadcaster dual device desk or countertop stand
- Telescoping pole extends upward from 17 to 29 inches
- Dual-T head makes it easy to re-attach your current dual streaming setup
- 2 year limited warranty
