

TAB1HD680

Arkon Heavy Duty Multi-Angle Tablet Suction Mount with 8 inch Arm for iPad Air iPad Pro iPad Retail Black

DESCRIPTION:

The TAB1HD680 tablet mount can be used with all large tablets 7 to 18.4 inches in screen size, including Apple iPad Pro, iPad Air 2 and iPad Air, iPad 4, 3, and 2, Samsung Galaxy View, Galaxy Note 10.1, Galaxy Note Pro 12.2, Galaxy Tab 4 10.1, Galaxy Tab Pro 10.1, Galaxy Tab Pro 12.2, Galaxy Tab S 10.5, Google Pixel C, Nexus 10, and Nexus 9, LG G Pad 10.1, Sony Xperia Tablet Z4 and Tablet Z. This mount includes Arkon's Slim-Grip Universal Tablet Holder and Heavy-Duty Multi-Angle Aluminum Mounting Pedestal with 8" Adjustable Arm and Windshield Suction Base. The Slim-Grip Tablet Holder features a spring-loaded design that makes it easy to insert or remove the tablet by pushing down on the lower legs of the holder with one hand. Included with the holder are 10 support legs (4 short, 2 medium and 4 long versions). Choose the 4 legs that provide the best fit for your tablet. These insert at the top and bottom of the holder and can be easily adjusted in order to keep any side buttons and ports unobstructed. For most large tablets, the best mount holder configuration is to attach 2 short support legs on top and the 2 long support legs on the bottom of the holder. For smaller tablets, use all 4 short support legs on the holder. For larger tablets including iPad Pro, use all 4 long legs. For vertical viewing, adjust the 360-degree swivel and then re-tighten. The 90mm suction base is ideal for heavy-duty environments, such as in a work truck or commercial vehicle. Adjust the 8" adjustable arm and rotate the swivel ball adapter head for 360° rotation for exact positioning of the tablet.

FEATURES:

- Slim Grip Holder fits tablets 7 to 18.4 inches in screen size
- Support legs are customizable and adjustable
- Adjustable arm and swivel ball help position tablet
- Suction base recommended for work trucks or commercial vehicles
- 2 year limited warranty
