

TABRM2X023

Arkon Double Robust Car Cup Holder Tablet Mount for Apple iPad Air 2 iPad Pro iPad 4 3 2  
Retail Black

**DESCRIPTION:**

The TABRM2X023 car cup holder tablet mount is part of Arkon's Robust Mount Series. It features double Arkon Robust shafts to provide extra height for viewing the tablet in the front seat or back seat of your truck or car. The mount's base expands to easily fit car cup holders up to 3.5 inches in diameter. This heavy-duty mount holds tablets with 7"-18.4" screen size, including Apple iPad Pro, iPad Air 2 and iPad Air, iPad 4, 3, and 2, Samsung Galaxy Note 10.1, Galaxy Note Pro 12.2, Galaxy Tab 4 10.1, Galaxy Tab Pro 10.1, Galaxy Tab Pro 12.2, Galaxy Tab S 10.5, Google Pixel C, Nexus 10 and Nexus 9, and LG G Pad 10.1. The Slim-Grip tablet holder features a spring-loaded design that makes it easy to insert or remove the tablet by pushing down on the lower legs of the holder with one hand. Included with the holder are 10 support legs (4 short, 2 medium and 4 long versions). Choose the 4 legs that provide the best fit for your tablet. These insert at the top and bottom of the holder and can be easily adjusted in order to keep any side buttons and ports unobstructed. For most large tablets, the best mount holder configuration is to attach 2 short support legs on top and the 2 long support legs on the bottom of the holder. For smaller tablets, use all 4 short support legs on the holder. For larger tablets including iPad Pro, use all 4 long legs. For vertical viewing, adjust the 360-degree swivel.

**FEATURES:**

- Mount fits car cup holders up to 3.5 inches in diameter
- Double Robust shafts provide extra height for viewing tablet
- Fits tablets 7 to 18.4 inches in screen size
- Spring loaded holder provides easy insertion and removal
