

## TABRMAMPS-MET

### Arkon Tablet Drill Base Mount for Apple iPad Samsung Galaxy Note Tab E Retail Black

#### DESCRIPTION:

TABRMAMPS-MET is a heavy-duty drill base mount that is part of Arkon's Robust Mount Series. It mounts to car or truck dashboards, consoles, or other solid flat surfaces with screws, and holds tablets with 7"-18.4" screen size, including Verizon Ellipsis 8, Lenovo Tab 7, Apple iPad Pro, iPad Air 2 and iPad Air, iPad 4, 3, and 2, Samsung Galaxy View, Galaxy Note 10.1, Galaxy Note Pro 12.2, Galaxy Tab E 8.0, Galaxy Tab 4 10.1, Galaxy Tab Pro 10.1 and 12.2, Galaxy Tab S 10.5, Nexus 10 and Nexus 9, and LG G Pad 10.1. This mount includes a Heavy-Duty Mounting Pedestal with Metal 4-Hole AMPS Drill Base and a Slim-Grip Universal Tablet Holder. The Slim-Grip tablet holder fits tablets 7 to 18.4 inches in screen size. The holder features a spring-loaded design that makes it easy to insert or remove the tablet by pushing down on the lower legs of the holder with one hand. Included with the holder are 10 support legs (4 short, 2 medium and 4 long versions). Choose the 4 legs that provide the best fit for your tablet. These insert at the top and bottom of the holder and can be easily adjusted in order to keep any side buttons and ports unobstructed. For smaller tablets, use all 4 short support legs on the holder. For larger tablets including iPad Pro, use all 4 long legs. For vertical viewing, adjust the 360-degree swivel. The mount uses the 4-Hole AMPS mounting pattern, which consists of four holes located in a rectangular pattern spaced at 30.17mm x 38.05mm (measured as the center-to-center distance between holes). The tough, low-vibration pedestal measures approximately 5 inches high from end to end (not including holder) and includes metal AMPS adapters for extra durability. The pedestal features two adjustment points to provide flexibility in positioning the tablet. The mount can also be screwed directly into the dash or console of your vehicle. (Warning: Use caution and consult a mobile install professional to avoid drilling into any sensitive vehicle components.)

#### FEATURES:

- Fits 7 to 18.4 inch screen size tablets
- Spring loaded holder and adjustable support legs ensure proper tablet fit
- Low vibration 4 Hole AMPS mount base attaches with screws to solid flat surfaces including car dashboards
- 2 year limited warranty
