

XL179

Arkon RoadVise XL Car Dash or Windshield Mount Holder for iPhone 7 6S 6 Plus Galaxy S7 S6 Note 5 Retail Black

DESCRIPTION:

Arkon's XL179 RoadVise XL premium iPhone car holder mount is ideal for car dashboards, windshields, and other flat or slightly textured surfaces. This car mount features Arkon's RoadVise XL large phone and midsize tablet holder, which holds devices (even those with skins and ruggedized cases) up to 5" wide. The mount fits Apple iPhone 7 Plus, iPhone 6S Plus, iPhone 6 Plus, Samsung Galaxy Note 5 and Note 4, Galaxy S7, S6, and S5, LG G6 and G6+, G5, and G4, Google Nexus 6 and Nexus 5, HTC One M9, One M8 and One Max, Nokia Lumia 1520 and 1020, and Motorola Moto G. The mount also fits midsize (7-8" screen size) tablets up to 5" wide, including Galaxy Tab E 8.0, Galaxy Tab S 8.4, Galaxy Tab 3 7.0 and 8.0, and Google Nexus 7. This mount is not recommended for devices without a case measuring 2.64 inches wide or less, including iPhone 7 or iPhone 6. For a dash mount compatible with smaller phones, Arkon recommends Model RV179. The car cell phone holder's spring-loaded mechanism expands and securely grips phones up to 5" wide. Arkon recommends using the RoadVise Holder with devices or with skins and ruggedized cases. The low-profile holder keeps rear smartphone cameras free for spontaneous pictures or videos. The car dock's base uses a powerful combination of polyurethane gel and suction to provide a maximum surface bond. In order to prevent permanent indentation marks on soft vinyl, leather, or similar dashboard surfaces, Arkon recommends using the included 3M adhesive mounting disk. While powerfully strong, the sticky suction car mount is also easily removable and reusable. The arm of the suction mount adjusts vertically and provides 360° rotation, providing flexibility in viewing the smartphone from any angle. Garmin GPS devices can also be mounted by simply removing the holder and revealing the 17mm ball mount base. The XL179 is a solid car mount solution that's perfect for your needs.

FEATURES:

- Fits large phones and midsize tablets up to 5 inches wide
- Sticky suction car mount is ideal for car windshields and dashboards
- Low profile spring loaded holder
- Not recommended for devices measuring 2.64 inches wide or less
