

The Mini File Tote - AUE14100 - UPC - 744870000868

The Mini has all of the similar features as our standard File Tote but at half the size. With an extremely durable outer shell and padded inner walls, the Mini File Tote offers stability and protection for all of your valuable documents, laptops, books or most anything you can imagine. The interior removable dividers can be adjusted into several different configurations, offering a customized storage solution. The Mini File Tote comes with a lid to keep documents private and safe from the elements.
