

# Installation Instructions

## Ventvisor® Deflector

### Important Safety Information

- CAUTION - Before driving, ensure that the vent visor is properly secured to vehicle.
- Do not use automatic "brush-style" car washes.
- Do not use cleaning solvents of any kind.
- Periodically check all components for tightness.

### Contents - 2 Piece Set **NOTE:** Actual product may vary from illustration.

Alcohol Pad x2

Scotch Brite Pad

### Contents - 4 Piece Set

Alcohol Pad x4

Scotch Brite Pad

### Tools Required

Car Wash Supplies

Clean Towel

### Preparation Before Painting / Installation

- A trial fit is recommended to ensure proper positioning and fit.
- Check fit of parts before painting as we will not accept the return of modified or painted parts.
- Wash and dry your vehicle to remove any debris and/or dirt from the installation area.

### Installation Steps **NOTE:** Actual application may vary slightly from illustrations.

Buff the **OUTSIDE** of the rubber window channel with the scotch brite scuff pad. Then clean with an alcohol pad and dry with a soft cloth.

1

(1) Remove the triangular plastic mirror cap from the **INSIDE** of the door. (2) Loosen but do not remove the mirror mounting screws using a phillips screwdriver or nut driver as applicable.

Step 1

Step 2

2

# Installation Steps

**NOTE:** Actual application may vary slightly from illustrations.

Remove tape liner from rear flange of visor. Peel back 2" (5 cm) of tape liner from each end of the lateral flange.

3

Align visor to the previously cleaned surface. The lateral flange will attach to the black metal door frame. Insert the front end flange between the mirror cap and the front door.

4

Gently press the exposed areas of tape against the surface and verify position. With the visor in its final position, remove the remaining tape liner by pulling on free ends.

5

Apply pressure along all flanges to ensure proper adhesion of tape.

6

Retighten previously loosened screws, and replace plastic mirror cap.

7

## 4 Piece Set

The rear visor attaches with the same preparation methods as the front visor.

or

8

Repeat **Steps 1-8** for opposite side.

## Care and Cleaning

- Wash only with mild soap & dry with a clean cloth.

## Congratulations!

You have purchased one of the many quality Auto Ventshade™ branded products offered by Lund International, Inc. We take the utmost pride in our products and want you to enjoy years of satisfaction from your investment. We have made every effort to ensure that your product is top quality in terms of fit, durability, finish and ease of installation.
