AX-GMUSBAUX-3 & AX-GMUSBAUX-6 REPLACEMENT KNOCKOUT FOR USB HUB

FITS GM 2014-UP

FEATURES

- Replaces entire factory hub
- Comes in two lengths:
 - 3 FOOT
 - 6 FOOT

HUB COMPONENTS

- 2 female USB slots
- 1 female 3.5mm AUX jack
- 1 female HDMI® port

PRODUCT OVERVIEW

The Replacement Knockout for GM Vehicles is the perfect solution for when the USB Hub (AUX, USB, SD card slot) cannot be retained when replacing the factory radio in GM vehicles. This solution replaces the entire hub with a new spacer/knockout that includes 2 female USBs, a female 3.5mm auxiliary jack, and a female HDMI® port. Comes in two lengths, 3 foot and 6 foot.
