FOLLOW THESE INSTRUCTIONS CAREFULLY TO ENSURE CORRECT FITMENT AND OPERATION

PLEASE NOTE: THIS IS A PASSENGER SIDE OIL SEPARATOR

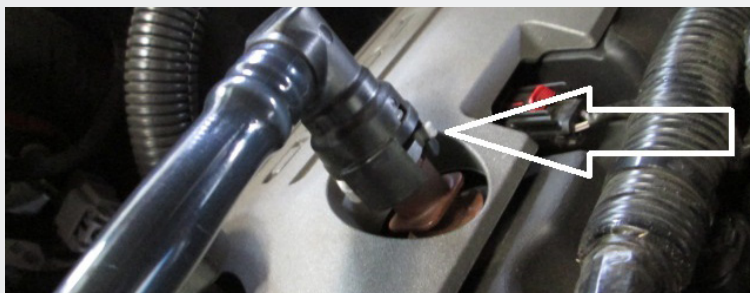

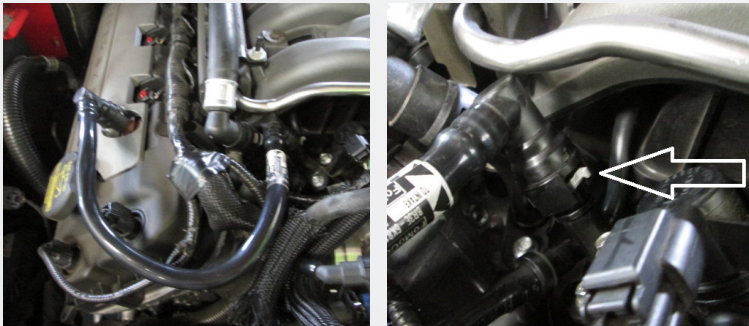

PREPARATIONS

STEP 1

Remove the engine cover by firmly pulling it upwards to release it from its mounting points.

INSTALLATION

STEP 2

Release the (2) quick connect fitting on the intake manifold and valve cover and remove the vacuum hose from the vehicle.

STEP 3

Install the (2) vacuum hoses supplied in the kit onto the BBK oil separator canister.

NOTE: When installing the hoses be sure that the BBK logo on the oil separator is facing towards you and install the big curved hose on the right side and the straight bent hose on the left side.
