

**Installation Instruction Sheet**  
**Part# 60265/62265/60266/62266**

**Part # 60265-62265: 1964-1965 GTO Short**  
**60266-62266: 1966-1967 GTO Short**

This radiator is a replacement for the short 15 ½, 4-row core radiator. When used as a replacement for same, there are no changes required to the vehicle. When used as an upgrade for 3-row radiator equipped vehicles use the 4-row support kit commonly available through the restoration suppliers. The radiator comes with self-stick foam that may be used to cushion radiator if rubber support bushings are worn or old.

62265 Automatic transmission radiator - Install transmission line into [radiator](#) as original

62266 Automatic transmission radiator - Install transmission line into radiator as original
