

**Installation Instruction Sheet**  
**Part# 60267/62267/60268/62268**

**Part # 60267-62267: 1964-1965 GTO Tall**  
**60268-62268: 1966-1967 GTO Tall**

This radiator is a replacement for the Tall 17 ½, 4-row core radiator. When used as a replacement for same, there are no changes required to the vehicle. When used as an upgrade for 3-row radiator equipped vehicles use the 4-row support kit commonly available through the restoration suppliers. The radiator comes with self-stick foam that may be used to cushion radiator if rubber support bushings are worn or old.

62267 Automatic transmission radiator - Install transmission line into [radiator](#) as original

62268 Automatic transmission radiator - Install transmission line into radiator as original
