

**Installation Instruction Sheet**  
**Part# 60269/62269/60270/62270**

**Part # 60269-62269: 1961-1969 Mopar A-B Body 26" wide L/H inlet R/H outlet**  
**60270-62270: 1961-1969 Mopar A-B Body 26" wide R/H inlet L/H outlet**

This radiator is a replacement for the 26" wide downflow equipped vehicles. When used as an upgrade for factory equipped 22" radiator vehicles, use Be Cool mounting kit # 72030, also radiator may require a modification to radiator flange to clear some A-Body frame rails; also may require voltage regulator relocation. Radiator accepts 1966-1969 26" B-Body fan shroud.

62269 Automatic transmission radiator - Install transmission line into [radiator](#) as original

62270 Automatic transmission radiator - Install transmission line into radiator as original
