

Foreign Branded 089 Series — Premium Brake Pads

The Beck/Arnley 089 Series is our premium branded brake pad offering that covers over 9,000 applications for Asian and European vehicles. Two of the most popular European brake brands included in our offering are Ferodo and Jurid. The Ferodo brand has a rich racing history and Jurid is the high-quality German-engineered aftermarket brake pads that European technicians trust.

Beck/Arnley — Premium Brake Pads

Beck/Arnley Premium Brake Pads are designed using the same material recommended by your vehicle's manufacturer (ceramic, semi-metallic or organic).

- Specifically designed to match OE friction material type
- Precision cut edges for a proper fit
- Formulated to minimize brake dust
- Bonded shims help reduce braking noise
- Chamfered and slotted
