TRUCK | BED LINER THAT **WORKS HARD** & PLAYS SOFT

TRUCK BED LINERS

Constructed of durable materials that will withstand the elements and your workload, BedRug Bed Liners are available for most popular truck applications. Both styles are custom molded to match the contour of the truck bed and provide you with the protection and comfort that you need.

BEDRUG

This is the most innovative and unique truck bed liner there is. You get the look and comfort of carpet, in an ultra-tough 100% polypropylene (essentially plastic) product.

BEDTRED

If you want an innovative, non-permanent bed liner that provides a padded, flat work surface with the appearance of a spray in liner, BedTred Series is for you!

BEDTRED®

BEDRUG® IMPACT BEDLINER

BedTred provides features superior to any spray or drop-in liner, including dent & cargo protection, quick & easy install, and a lifetime warranty.

NON-SKID SURFACE

BedTred's textured, grained surface grips your cargo and prevents sliding and shifting during transport, unlike plastic traditional liners which may create a slick surface.

FOLDABLE TAILGATE HINGE

BedTred's new foldable tailgate gap hinge connects the gap between the bed floor and tailgate. Keeps annoying rocks, mulch, and other debris out of the way and prevents tailgate jamming.

LONG LASTING DURABILITY

BedTred is water and stain resistant, holds up to bleach, oil, and even battery acid. Spray-in liners can quickly fade and crack. BedTred is UV fade resistant and is backed with a lifetime warranty.

BEDRUG®

ORIGINAL PREMIUM BEDLINER

Made of the original BedRug poly-fiber with a 3/4" foam backing, the BedRug liner looks & feels like carpet, protects your truck, and provides an ultra tough work surface.

GREAT LOOKS & FIT

BedRug is custom formed to fit the contour and shape of the bed for a snug, tight fit, with a smooth flat surface. Maintains the original shape and features of the truck bed with full access to any factory tie-downs.

HANDLES ANY CARGO

Use your truck like a truck. Haul gravel, dirt bikes, tools or more fragile cargo like hunting or sporting equipment. BedRug is designed to protect your truck bed and keep contents from shifting.

100% WATERPROOF

BedRug systems are 100% waterproof, completely mold resistant and dry in as little as 20 minutes. Easy clean-up - simply rinse, sweep, or vacuum clean.

TRUCK MATS | BED MAT THAT **WORKS** **HARD** & PLAYS SOFT

TRUCK BED MATS

Constructed of durable 100% polypropylene materials, BedRug Mats are designed for your exact configuration, including vehicles with or without existing bed liners. Available for most popular truck applications, BedRug Mats protect your cargo - and your knees!

BEDRUG XLT MAT

This BedRug Mat is designed specifically for trucks that have a spray in liner or no bed liner. Now featuring an integrated tailgate gap guard hinge that connects the bedmat piece to the tailgate piece. It is constructed from the original BedRug poly-fiber material with ¾" thick foam backing. Installs in less than 15 minutes with hook and loop fasteners.

BEDTRED IMPACT MAT

Designed specifically for trucks that have a spray in liner or no bed liner. Now featuring an integrated tailgate gap guard hinge that connects the bedmat piece to the tailgate piece. It is constructed from the original BedTred TPO material with ¾" thick foam backing. Installs in less than 15 minutes with hook and loop fasteners.

BEDRUG MAT WITH PLASTIC DROP-IN LINER

This BedRug Mat is designed expressly for trucks that are already equipped with a drop-in plastic liner, featuring a ½" thick foam backing that provides a smooth work surface without needing to drill holes into your truck bed.

BEDRUG MAT WITH EXISTING SPRAY-IN OR NON-LINER

This BedRug Mat is designed specifically for trucks that have an existing spray-in liner or without a liner, featuring a ¾" thick custom molded foam backing to provide a smooth work surface, using only hook and loop fasteners to install without needing to drill holes into your truck bed.

ALL NEW

IMPACT MAT™

BEDTRED® IMPACT TRUCK BED MAT

The BedTred Impact Mat is designed specifically for trucks that have an existing spray-in liner or no bed liner. Now featuring an integrated tailgate gap guard hinge that connects the bedmat piece to the tailgate piece.

FOLDABLE TAILGATE HINGE

The integrated tailgate hinge covers the gap between your truck bed and the tailgate, this will eliminate the annoying build-up of debris between the two pieces.

GREAT LOOKS & FIT

The TPO composite top layer construction offers a flat work surface, that is slip and skid resistant. The ¾" padded under layer provide dent and impact resistance while offering cushion for your knees.

QUICK INSTALL

The Impact Mat install in minutes using hook and loop fasteners to install without the need to prep, sand or drill holes into your truck bed.

ALL NEW

XLT MAT

BEDRUG® ORIGINAL TRUCK BED MAT

The BedRug XLT Mat is designed specifically for trucks that have an existing spray-in liner or no bed liner. The all new design has an integrated tailgate gap guard hinge that connects the bed piece to the tailgate piece.

FOLDABLE TAILGATE HINGE

The integrated tailgate hinge covers the gap between your truck bed and the tailgate, this will eliminate the annoying build-up of debris between the two pieces.

LONG LASTING DURABILITY

This mat will protect your truck while standing up to whatever you can throw at it: from mulch to bleach. The XLT Mat's polypropylene material is fade and UV resistant.

CUSTOM FIT

The XLT Mat is made to fit your specific make and model, filling in the ribs and contours of the truck bed to provide a smooth, void free loading surface.

BEDRUG[®] MAT

ORIGINAL TRUCK BED MAT

Tired of cargo skating all around your truck bed? Add a removable non-skid, cushioned surface to your pick-up. BedRug Mat is constructed of the same durable material as the complete BedRug liner at an economical price point.

NON-LINER OR SPRAY-IN STYLE

HANDLES ANY CARGO

BedRug is designed to protect your truck bed and keep contents from shifting. Haul gravel, dirt bikes, tools or more fragile cargo like hunting or sporting equipment.

100% WATERPROOF

BedRug systems are completely mold resistant and dry in as little as 20 minutes. Easy clean-up - simply rinse, sweep, or vacuum clean.

AVAILABLE IN 2 CUSTOM STYLES

BedRug Mat is NOT "a one size fits all". We have designed our mats to fit your exact configuration, including vehicles with or without existing bed liners. Best of all - NO DRILLING into your truck bed for installation!

DROP-IN STYLE

Designed specifically for trucks pre-equipped with a drop-in plastic liner. Features 1/2" thick foam backing, which provides a smooth flat work surface and protection for your truck and cargo.

SPRAY-IN OR NON-LINER

Designed specifically for trucks with no bedliner OR an existing spray-in liner. Features 3/4" custom formed foam backing, for a smooth flat work surface. Easily installs with hook and loop fasteners.

DROP-IN STYLE

VAN | **IMPACT** CARGO VAN FLOOR LINERS

CARGO VAN FLOOR LINERS

Van Mats provide impact and cargo protection while acting as a heat and noise insulator. They are specifically molded to fit your make and model so they look great and fit like a glove, creating a void-free cushioned surface.

VANRUG

With its ¾" custom molded foam backing the VanRug gives you the look and comfort of carpet, in an ultra-tough 100% polypropylene (essentially plastic) product. That means not only will it protect your van, it will provide impact and cargo protection and act as a heat and noise insulator.

VANTRED

With its ½" custom molded foam backing the VanTred provides a rugged work surface. Not only will it protect your van, it will provide impact and cargo protection and act as a heat and noise insulator.

VANRUG

BEDRUG® ORIGINAL FLOOR LINER

Made of 100% polypropylene, the van liner looks & feels like carpet, protects your van, and provides a cushioned, flat work surface.

IMPACT PROTECTION

That means not only will it protect your van, it will provide impact and cargo protection and act as a heat and noise insulator.

HANDLES ANY CARGO

VanRug provides a smooth surface that keeps your cargo from shifting and is easy to clean up. The cushioned surface offers cargo protection and is easy on your knees.

CUSTOM FIT

VanRug is die-cut and molded to fit each specific van application. Installs easily, and designed to fit under the edge of the cargo door step covers and rear plastic shroud for most applications.

VANTRED

BEDTRED® IMPACT FLOOR LINER

With its ½" custom molded foam backing the VanTred provides a rugged work surface. It provides impact and cargo protection and act as a heat and noise insulator.

NON-SKID SURFACE

VanTred's exclusive TPO composite construction provides a textured anti-skid surface and keeps cargo from shifting.

LONG LASTING DURABILITY

VanTred is water and stain resistant, holds up to bleach, oil, and even battery acid.

CUSTOM FIT

VanTred is die-cut and molded to fit each specific van application. Installs easily, and designed to fit under the edge of the cargo door step covers and rear plastic shroud for most applications.

JEEP | ULTRA-TOUGH FLOOR LINERS FOR JEEP®

JEEP KIT LINERS

These 100% waterproof, custom molded die cut kits provide the convenience and comfort of a floor liner without the worry of mold, mildew or stains. They will withstand the harshest of conditions while insulating your interior from both road noise and heat.

BEDRUG FOR JEEP

This custom molded and die cut kit is made for 1976-current model year Wranglers (CJ7, YJ, TJ, LJ, JK, & JKU) with 100% polypropylene (essentially plastic). The carpet-like poly-fiber material that gives you the ultra-plush yet ultra-tough protection you need and provides excellent heat and noise insulation.

BEDTRED FOR JEEP

This high-end, rugged liner is made for 1997-current model year Wranglers (TJ, LJ, JK, & JKU) and will give you the look of a spray-in without any labor intensive prepping. You get the convenience and comfort of a non-permanent liner that is easily installed, removed and cleaned after a long day on the trail.

JEEP HEADLINER

This 100% waterproof, fully custom die cut headliner kit installs quickly without the need to remove your hard top. The individual pieces can be quickly installed by removing the specially designed tape and pressing firmly into place. The BedRug poly-fiber material resists all harsh chemicals, and will not stain, stink, mold or mildew. The 1/2-inch polypropylene foam, will help insulates your interior from road noise and heat.

BEDRUG®

ORIGINAL FLOOR LINER FOR JEEP®

This custom molded and die cut kit is made for 1976-current model year Wranglers (CJ7, YJ, TJ, LJ, JK, & JKU) with 100% polypropylene (essentially plastic). The carpet-like material that gives you the ultra-plush yet ultra-tough protection you need and provides excellent heat and noise insulation.

100% WATERPROOF

BedRug systems are fully custom molded, 100% waterproof, completely mold and mildew resistant and dry in as little as 20 minutes.

NOISE & HEAT REDUCTION

BedRug replaces your OEM carpet. The 1/4-inch polypropylene foam backing, with provided heat shields, insulates your interior from road noise.

EASY MAINTENANCE

Individual pieces can be quickly removed and hosed off if they become soiled. The BedRug material dries quickly, resists all harsh chemicals, and will not stain, stink, mold or mildew.

BEDTRED®

IMPACT FLOOR LINER FOR JEEP®

This high-end, durable liner is made for 1997-current model year Wranglers (TJ, LJ, JK, & JKU) and will give you the look of a spray-in without any labor intensive prepping. You get the convenience and comfort of a non-permanent liner that is easily installed, removed and cleaned after a long day on the trail.

NON-SKID SURFACE

Sold as front and rear kits, these die-cut systems replace your Jeep's OEM carpet and are perfectly molded to fit your specific model. Rear kits include a separate tailgate piece.

LONG LASTING DURABILITY

Individual pieces can be quickly removed and hosed off after a long day on the trail if desired. BedTred is 100% waterproof and completely mold and mildew resistant.

ADDED PROTECTION

1/4" polypropylene backing provides excellent heat and noise insulation. Two heat shields are provided in the front kit which install over the transmission tunnel for added protection.

BEDRUG®

ORIGINAL HEADLINER FOR JEEP®

JEEP ACCESSORIES

CUSTOM DIE-CUT

100% waterproof, headliner kit installs quickly without the need to remove your hard top. The individual pieces can be quickly installed by removing the specially designed tape and pressing firmly into place.

ULTRA TOUGH WORK SURFACE

Made of 100% polypropylene, the BedRug bed liner - looks & feels like carpet, protects your truck, and provides an ultra tough work surface. BedRug is water and stain resistant. Stands up to bleach, oil and even battery acid!

HANDLES ANY CARGO

Use your truck like a truck. Haul gravel, dirt bikes, tools or more fragile cargo like hunting or sports equipment. BedRug is designed to protect your truck bed and keeps contents from shifting.

BUILT IN HINGE

The tailgate section is connected to the BedRug floor panel with a built-in hinge constructed of the same material. BedRug's hinge prevents debris from collecting in the opening between the bed and tailgate.

CUSHIONED SURFACE

Protects your truck bed, valuable cargo...AND your knees! BedRug's 3/4" foam acts as a shock absorber to prevent impact damage, and won't scratch the truck's paint protecting it from normal wear and tear.

GREAT LOOKS & FIT

BedRug is custom formed to fit the contour and shape of the bed for a snug, tight fit, with a smooth flat surface. Maintains the original shape and features of the truck bed with full access to any factory tie-downs.

EXTERIOR USE

Easy clean-up - simply rinse, sweep or vacuum clean. BedRug features a 3/4" closed cell foam floor and will not absorb water. Water runs off the fiber surface, and/or through the non-corrosive zinc alloy zipper and out the truck bed drain holes.

FORD STEP GATE

BedRug offers a custom application that accommodates the Ford F150 and Superduty stepgate and swing handle.

OUTPERFORMS
SPRAY-INS

BedTred offers features superior to any spray or drop-in liner, including dent & cargo protection, quick & easy install, and a lifetime warranty. The 1/4" closed cell foam textured anti-skid surface is UV resistant.

IMPACT PROTECTION

BedTred is tough enough to haul brick pavers yet soft enough to protect your most fragile cargo. The 1/4" closed cell foam protects your truck bed from dents and dings and also provides a cushioned knee friendly surface when accessing cargo.

NO DAMAGE INSTALL

Spray-In liners can never be removed and destroy the truck bed finish they are actually intended to "protect." BedTred is non-permanent alternative which can be removed at anytime to expose your factory bed finish.

NON-SKID SURFACE

BedTred textured, grained surface grips your cargo and prevents sliding and shifting during transport, unlike traditional liners which create a slick surface.

EASY INSTALLATION

BedTred is a 5-piece liner that zips together and installs with hook and loop fasteners. No drilling, no sanding, no prepping, and no damage to the truck bed.

SUPERIOR PROTECTION

Each section is made of an exclusive TPO composite laminated to a layer of 1/4" closed cell foam and backed with a non-woven fiber surface which will not scratch or harm your truck bed finish.

WON'T FADE OR CHALK

Spray-in liners can quickly fade and crack, as pictured here. BedTred is UV fade resistant and is backed with a lifetime warranty.
