Installation Tips

Before you begin installing this accessory, read all instructions thoroughly.

This Lock Box is designed for use in a wide variety of vehicles. You must review the installation position to verify it will not obstruct or interfere with the normal operation of the vehicle in any way before installing.

Improperly mounting under a seat could result in unexpected movement of the lock box or seat and loss of control of the vehicle, thereby placing the occupants of the vehicle in a potentially dangerous situation.

 **WARNING** Ensure this Lock Box is securely shut and locked before operating the vehicle. Failure to do so could result in the drawer opening creating a potentially hazardous driving situation.

WEAR SEAT BELTS AT ALL TIMES

Read and follow, precisely, all installation instructions provided when installing product. Failure to do so may result in a poor fit and could place occupants of the vehicle in a potentially dangerous situation.
