

## Remove Black Streaks – Black Streak Remover

---

- A biodegradable RV and boat black streak remover cleaner degreaser.
  - Now you can remove black streaks and stains from RV, campers, boats and trailers with ease.
  - Just spray it on a cloth or brush and wipe it on and wipe it off, it really is that simple.
  - Also a multi purpose cleaner degreaser that cleans soils and marks with a minimum effort on a wide variety of hard surfaces.
  - After cleaning it leaves surfaces streak free. No need to rinse and surface is residue free.
  - Excellent for a number of jobs around the house, garage and business as well: cleaning vinyl and aluminum siding, gutters and eaves, engine and garage cleaning and degreasing, cleaning parts and tools and more.
- 

### Uses:

RV / marine black streak remover, remove scuff marks, clean oil stains, clean carbon deposits, engine degreasing, tools and more. Use on: fiberglass, clearcoat, engines, counters, grills, tools, appliances, chrome, stainless steel and other non-porous surfaces.

---

## Green Cleaning Attributes

- Spray-on, Wipe Clean
  - Concentrated Cleaner: Highly effective allowing you to dilute per application; saving Time, Money, Transportation, Packaging and Shipping Costs. Therefore reducing the environmental impact.
  - 100% of the packaging is recyclable
  - No Animal Testing - No Animal Ingredients - Cruelty Free
  - Environmentally Friendly, Biodegradable, Non Aerosol, Ozone Safe
- 

Application of black streak remover works great with a **micro fiber towel**. After removing black streaks, wash with **Boat RV Wash**. Keep black streaks from returning and protect the surface and with a **Boat RV Wax**. Maintain with **Spray Wax** for shine and protection in minutes.

**Removing black streaks from a toy hauler trailer.**

Most applications to remove black streaks from RVs and boats require a full strength application. It is recommended to dilute per application on sensitive or heavily oxidized finishes. Test sensitive paints and finishes on a small area first. Bio-Kleen Black Streak Remover can be used on many other applications than just removing black streaks such as multi-purpose cleaning and degreasing.

- Light Duty 2-4 oz. per 1 gallon of water
- Medium Duty 6-16 oz. per 1 gallon of water
- Heavy Duty 32-64 oz. per 1 gallon of water
- For severe degreasing dilute accordingly

---

**DIRECTIONS:** To remove black streaks from RV, trailer or boats spray product onto a dry, clean cloth or towel wipe surface clean. You may also spray product onto a clean, dry wash brush. Start from the bottom and work your way up, in sections, adding more product as needed. Then wash with **Super Suds** and rinse from the top down.

***Test older surfaces, chalked and sensitive paints and finishes on a small, inconspicuous area first. It is recommended to dilute per application on sensitive or heavily oxidized finishes.***
