

The image features a large, stylized logo for 'BLADE' in the upper center. The letter 'B' is a large, bold, black block letter with a blue square cutout in its center. The word 'BLADE' is written in a smaller, blue, serif font across the middle of the 'B'. The background is a complex, layered composition of blue and white geometric shapes, including lines, rectangles, and overlapping planes, creating a sense of depth and motion. A faint, circular image of a wheel with exposed lug nuts is visible in the background, partially obscured by the geometric overlays.

BLADE

Blade Luxury Wheels is a line of wheels created to bring exposed lug wheels to the Elite Wheels line up. Blade Luxury Wheels have the look and feel of a custom wheel in a one-piece form.
