

## Exhaust System Installation for Chevrolet Camaro SS & Z28 and Pontiac Firebird & Trans-Am PN-14780

**Thank you for purchasing a Borla Performance Exhaust System.**

**Borla Performance Exhaust System (PN-14780) is designed for the Chevrolet Camaro SS & Z28, and Pontiac Firebird & Trans-Am, Coupe/Convertible, 5.7L V8 engine, RWD automatic or manual transmissions.**

Borla Performance Industries recommends that an exhaust shop or professional after market parts installer, who has all the necessary equipment, tools and experienced personnel needed for proper installation, should perform the installation of this system. However, if you decide to perform the installation, we recommend someone should help you. Ensure the installer uses all under car safety precautions including eye protection.

***Please take time to read and understand the following...***

By installing your Borla Performance Exhaust System, you indicate that you have read this document and you agree with the terms stated below.

It is the responsibility of the purchaser to follow all installation instruction guidelines and safety procedures supplied with your Borla Performance Exhaust System

Borla Performance Industries assumes no responsibility for damages occurring from misuse, abuse, improper installation, improper operation, lack of responsible care, or all previously stated reasons resulting from incompatibility with other manufacturer's products and/or systems.
