

MOBILE ELECTRONICS PRO-SERIES

Universal Tablet Floor Mount

MOBILE TABLET FLOOR MOUNTING HARDWARE

The Universal Tablet Floor Mount offers convenient access to your iPad or tablet when you're on the go.

The sturdy, low-profile mount safely and securely mounts to the passenger side seat bolt and is perfect for hands-free navigational use while on the road.

WORKS GREAT WITH

- iPad™
- Galaxy™
- Kindle™

FEATURES

- Universal design safely allows you to mount your iPad or tablet for front seat navigational use
- Heavy-duty, low vibration mount safely and securely holds your device in portrait or landscape modes while allowing full access to all device buttons and controls
- Rigid construction with flexible arm for easy angle adjustments and precise positioning
- One year warranty
